In order to best phase in new palette, existing homes may keep old color palette IF it is compliant with the old color schemes. If the color palette does not meet any approved palettes, then the colors must be brought into compliance with this new palette.

All repainting must be approved by the Ocean Green Home Owners Association and requires Kiawah ARB Approval and Permit.

Window Color can be owner selection, but must match color palette.

* Siding and Trim cannot be the same color.

** Indicates Benjamin Moore Color

Creekside Green: 2141-40

Mohegan Sage: 2138-30

All Other Paint Color Names are Cabot Colors
