The Board may delegate functions to committees in accordance with the Association's By-laws and may contract with private individuals or entities for the performance of such functions as it deems appropriate, including but not limited to management of the Association on behalf of the Board.

3. Membership in Association. Each Property Owner in the Association whose Property is subject to assessment by the Association shall be a Member of the Association. Members in good standing shall be entitled to one (1) vote for each Property owned, and when more than one (1) person or entity is a Property Owner with respect to a single Property, all such persons or entities shall be Members, and their vote for such Property shall be exercised as they, among themselves, determine. In no event shall more than one (1) vote be cast

with respect to any single Property.

4. Property Rights In Common Properties. Subject to the provisions of these Covenants and the Rules and Regulations of the Association, every Property Owner shall have a right and easement of enjoyment in and to the Common Properties, and such easement shall be appurtenant to and shall pass with the title of every Property.

The Property Owners' rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of each Property Owner to have access to such Property Owner's property by an easement appurtenant thereto for ingress, egress and regress over and upon the Common Properties;
- (b) The right of each Property Owner to have an easement appurtenant for utilities to such Property over and upon the Common Properties;

- (d) The right of the Association, as provided in its By-Laws, to suspend the enjoyment of rights of any Members for any period during which any assessment remains unpaid and for any period not to exceed thirty (30) days for any infraction of its Covenants, By-Laws and Rules and Regulations, it being understood that any suspension for either non-payment of any assessment or a breach of the Rules and Regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay the assessment or to adhere to the Rules and Regulations;
- (e) The right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by two-thirds (2/3) of all votes entitled to be cast by the membership;
- (f) The right of the Association to limit the number of guests of Members;
- (g) The right of the Association to make rules and regulations and impose restrictions upon such use and enjoyment for the benefit of all Members, their guests and assigns; and

- (h) The right of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Properties and facilities and in aid thereof to mortgage said Common Properties. In the event of a default upon any such mortgage, the lender's rights shall be limited to a right, after taking possession of such Common Properties, to charge admission and other fees as a condition to continued enjoyment by the members and, if necessary, to open the enjoyment of such Common Properties to a wider public until the mortgage debt is satisfied, whereupon the possession of such Common Properties shall be returned to the Association and all Members' rights therein fully restored.

In the event any Common Property is damaged or destroyed by an Owner or any of his guests, tenants, licensees, agents or members of his family, such Owner does hereby authorize the Association to repair said damage. The Association shall repair said damage in a good and workmanlike manner in conference with the original plans and specifications of the area involved, or as the area may have been modified or altered subsequently by the Association in the discretion of the Association. The amount necessary for such repairs shall become a special parcel assessment upon the Property of said Owner.

5. Assessments. Each Owner of a Property shall, by acceptance of a deed thereto, whether or not it shall be so expressed in such deed or other conveyance, be deemed to covenant and agree to all of the terms and provisions of these Covenants, as the same may be duly amended from time to time, and to pay to the Association: (i) annual assessments or charges; (ii) working capital for the Association; (iii) special assessments and (iv) special parcel assessments. All assessments, together with interest thereon and costs of collection thereof, including reasonable attorneys' fees, shall be a charge and continuing lien on the Property against which each such assessment is made. Each such assessment shall also be the personal obligation of the person(s) or entity who was the Property Owner at the time when the assessment fell due. In the event of co-ownership of a Property, all such co-owners shall be jointly and severally liable for the entire amount of the assessments.

- (a) Capital Assessments. At the time title is conveyed to a Property Owner, the new Property Owner shall contribute to the working capital reserve maintained by the Association the sum of One Hundred (\$100.00) Dollars. Such Funds shall be used solely for capital expenses of the Association and the Common Properties.

- (b) Annual Assessments. The annual assessments levied by the Association shall be used exclusively for: the improvement, maintenance, and operation of the Common Properties and, if the Board so elects, the Properties, including, but not limited to, providing lighting, pest control, landscape maintenance and general maintenance, improving and maintaining streets and parking areas comprising portions of the Common Properties, maintaining and improving amenities and recreational facilities located on or near the Common Properties, the payment of taxes and insurance thereon, repair, replacement and additions to the Common Properties, and the cost of labor, equipment, material, management and supervision thereof; the operation and running of the Association; and doing any other thing necessary or desirable in the opinion of the Board to keep the Properties and the Common Properties neat and in good order, and to eliminate health and safety hazards, and to provide useful amenities, which in the opinion of the Board may be of general benefit to the Property Owners.
- (c) Special Assessments. The Association may levy in any assessment year, a special assessment uniformly against all Properties, applicable to that year and not more than the next two (2) succeeding years, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of the capital improvements upon the Common Properties, including fixtures and personal property related thereto, or when emergency circumstances dictate, when delay until approval of the next annual budget is unacceptable or when, in the judgment of the Board, a special project is deemed to be in the best interest of the membership as a whole.
- (d) Special Parcel Assessment. Special parcel assessments may be imposed by the Association upon any unit or parcel of Property, for the purpose of maintaining the exterior appearance thereof, if the Property Owner shall have failed or refused to do so, including, but not limited to, mowing and cleaning of unsightly brush and debris, painting, repairing, replacing and caring for roofs, gutters, downspouts, and exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements necessary to keep the Property Owner's Property from deteriorating or becoming unsightly. For the purpose solely of performing the exterior maintenance authorized by this paragraph, representatives of the Association and its duly authorized agents or employees shall have the right, after reasonable notice to the Property Owner, to enter upon any Property at reasonable

hours on any day, except Sunday. Special parcel assessments may also be imposed by the Association upon any unit of parcel of Property to cover the cost of repair of damage to the Common Properties as hereinabove provided in Paragraph 4. Nothing herein shall preclude the Board from assuming responsibility for exterior maintenance of Properties, including painting and landscaping, and for providing for the cost thereof through the annual assessments.

The Board of Directors of the Association shall have the rights and power to fix the assessments described above and shall notify each Property Owner of same, in writing. The assessments shall be delinquent when not paid within thirty (30) days after the mailing of such notice. The Board of Directors shall determine whether the assessment shall be paid on a monthly, quarterly, semi-annual or annual basis. The assessments may be increased, adjusted or reduced from time to time by the Board of Directors of the Association, as the needs of the Common Properties, the Properties and the Association, in its judgment, may require, and each Property shall be subject to a uniform assessment. Properties shall become subject to assessment upon issuance of a certificate of occupancy.

Others who are not Members of the Association but who have access to and/or use facilities and properties owned and/or operated by the Association shall be subject to such assessments in the form of access and user fees as may be established by the Association in accordance with reasonable cost-sharing principles.

Should a Property Owner fail to pay the Association within thirty (30) days after the mailing of a notice of any such fee, charge, cost or assessment, the Board shall have the right to file notices of liens and lis pendens against subject Properties, and the Association shall have a lien on such Property for the payment of such sum, together with late charges and interest in accordance with the Association's By-Laws. The Board shall have the right to bill and collect interest and late charges, to institute legal proceedings and to enforce such rights to the extent and in the manner permitted by the laws of South Carolina, including the right to charge and collect all necessary attorney's fees, court costs and other collection expenses necessitated by such delinquency.

Upon conveyance by deed or by law of any Property or part or portions thereof, the purchaser thereof and each successive Property Owner shall be and become personally liable for and shall pay all fees, assessments and other

charges, past or future, due to the Association in accordance with the provisions of these Covenants and the provisions of the Association's By-Laws, as either or both may be amended from time to time.

6. Maintenance of Property. It shall be the responsibility of each Property Owner to prevent the development of any unclean, unsightly or unkept conditions on his or her Property, including, where applicable, excessive undergrowth, which shall tend to detract from the beauty of the neighborhood as a whole. If a Property Owner allows the development of any unclean, unsightly or unkept condition on his or her property, the unsatisfactory condition shall be corrected by the Property Owner at his or her expense upon written request of the Board or its designee. If the Property Owner then fails to correct such condition within ten (10) days after written notice has been given by the Board or its designee, the Board or its designee shall have the right to correct the unsatisfactory condition, and the expense of such correction shall be billed to and borne by the Property Owner.

Notwithstanding anything contained herein, the Association, in addition to maintaining the Common Properties, shall have the right, but not the obligation, to provide exterior maintenance for the Properties. Any cost incurred in connection with such maintenance shall be a lien against the Property and may be collected in the same fashion and as part of the annual maintenance assessment or as a special parcel assessment, as appropriate, all as described in Paragraph 5, supra. In order to enable the Association to make all necessary maintenance and repairs, the Association shall have the right of unobstructed access over and upon each Property at all reasonable times to perform maintenance as provided in this paragraph.

7. Noxious Activity. No noxious or offensive activity shall be carried on, in or upon any Property, nor shall anything be done thereon or therein tending to cause embarrassment, discomfort, annoyance or nuisance to the neighborhood. 8. Animals, Etc. No animals, livestock or poultry of any kind shall be raised, bred, or maintained on any Property, except household pets (in reasonable numbers) of the Property Owners or occupants of the Property. Such household pets must not

constitute a nuisance or cause unsanitary conditions or any undesirable situation for the Property Owners in the Association. Dogs must be leashed when off the Property owned or occupied by their owners or must be accompanied by and under the effective voice control of the owners or their agents.

9. Roads. Property Owners, their tenants, guests, invitees and permittees shall have the right to use the roads within the Association for ingress and egress to and from their Property, to and from the common facilities and amenities in the Association, and for general passage. Such use of roads shall be subject to these Covenants, the By-laws of the Association, and any Rules and Regulations promulgated by the Board, as well as to the general Covenants of the Seabrook Island Development and the By-Laws and Rules and Regulations of the Seabrook Island Property Owners Association.
