This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Area. The Association shall also maintain: (a) all entry features, including the expenses for water and electricity, if any, provided to all such entry features; (b) streetscapes located at other street intersections within the development; (c) all cul-de-sac islands located in the development; (d) landscaping originally installed by the Declarant whether or not such

landscaping is on a Lot; (e) all lakes, ponds and dams located within the Common Area; (f) all drainage and detention areas which were originally maintained by the Declarant, to the extent such areas are not maintained on an ongoing basis by a local governmental entity; and (g) all property outside of Lots located within the development which was originally maintained by Declarant, including those areas designated as landscape easements. The Association shall also carry out its obligations under the Wando Plantation Master Association, Declaration of Covenants, Conditions and Restrictions recorded in the RMC Office for Charleston County, South Carolina in Book D253 at page 183, which by this reference is made apart hereof and may but is not obligated to enter into other agreements concerning the sharing of costs as is deemed desirable by the Board to carry out the obligations of the Association hereunder. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay (a) to the Association: (i) annual assessments or charges; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (b) to the appropriate governmental taxing authority: (i) a pro rata share of ad valorem taxes levied against the Common Area; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Area if the Association shall default in the payment of either or both for a period of six (6) months as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

SECTION 2. PURPOSE OF ASSESSMENTS.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of Properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area; the maintenance of water and sewer mains in and upon the Common Area; the maintenance of open spaces and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of

way), drives and parking areas within the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws; the maintenance of lakes, ponds, retention areas or other bodies of water located within the Common Area; the maintenance of dams and areas surrounding such water; the maintenance of any "sign easement" areas located on any Lot, as shown on a recorded plat; the maintenance of entranceways, landscaping and lighting of Common Area, road medians and islands and entranceways, the lighting of streets (whether public or private); the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Area; the costs associated with duties of the Architectural Control Committee; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.

(b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Lot Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When a Lot Owner shall cease to be a member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

SECTION 3. MAXIMUM ANNUAL ASSESSMENT. Until December 31, 1996, the maximum annual assessment shall be Three Hundred and No/100ths (\$300.00) Dollars per Lot, and may be collected in monthly installments of approximately \$25.00 per Lot.

(a) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Board of Directors and may be increased by the Board of Directors without approval by the membership by an amount not to exceed fifteen percent (15%) of the maximum annual assessment of the previous year.

(b) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum, subject to the provisions of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS.

In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto. So long as the total amount of special assessments allocable to each Lot does not exceed \$300.00 in any one fiscal year, the Board may impose the special assessment. All special assessments which exceeds the \$300.00 limitation shall be effective only if such assessment shall have the assent of 60% of Owner's entitled to vote who are voting in person or by proxy at a meeting duly called for this purpose. All special easements shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

SECTION 5. ASSESSMENTS RELATED TO THE WANDO PLANTATION MASTER ASSOCIATION RESTRICTIONS. Certain Lots that have access to Rivertowne Parkway which may be annexed into Planter's Pointe and made subject to this Declaration are obligated to pay an additional assessment as more fully described in Wando Plantation master Association, Declaration of Covenants, Conditions and Restrictions as recorded in the RMC Office for Charleston County, South Carolina in Book D253 at page 183.

SECTION 6. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article IV shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum.

If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly, semiannual or annual basis.

SECTION 7. DATE AND COMMENCEMENT OF ANNUAL ASSESSMENTS; DUE DATES. The annual assessments provided for herein shall commence as to a Lot on happening of any of the following events, whichever occur earlier: (a) first day of the third month following the issuance of a certificate of occupancy for the residence constructed on that Lot; (b) the first day of the month that the residence constructed on that Lot is occupied; or (c) the first day of the month after a builder sells the residence. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment and promptly thereafter the Board of Directors shall cause written notice thereof to be sent to every Owner subject thereto. In the event the Board of Directors shall fail to fix the amount of annual assessments as described above, the assessment fixed for the immediately preceding year shall continue in effect until a new assessment amount is fixed. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. EFFECT OF NONPAYMENT OF ASSESSMENTS; REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or the highest rate allowed by law whichever is lower. If the delinquency persists for an additional thirty (30) days, the Association shall be entitled to charge interest on all sums more than sixty (60) days past due at the rate of eighteen percent (18%) per annum or the

highest rate allowed by law which ever is lower. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of South Carolina for the foreclosures of Mortgage, and interest, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 9. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS BY ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 10. SUBORDINATION OF THE LIEN TO MORTGAGES. The liens provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which become due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

SECTION 11. EXEMPT PROPERTY. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from

taxation by the laws of the State of South Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V  
ARCHITECTURAL CONTROL

SECTION 1. IMPROVEMENTS. No building, fence, wall or other structure or planting or landscaping shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein including without limitation any plantings or landscape be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the architectural committee (hereinafter referred to as the "Architectural Control Committee"). The Architectural Control Committee shall be the Declarant until all of the Lots in Planter's Pointe have been fully developed, permanent improvements constructed thereon, sold to permanent residents or until such time as Declarant notifies the Board that Declarant's rights and obligations as Architectural Control Committee shall be terminated. Thereafter the Board shall have the right, power, authority and obligations to establish a successor Architectural Control Committee as a committee of the Association and provide rules and regulations pursuant to which such committee shall act. It is acceptable for the Board to assign various functions of the architectural committee to an outside architect or some other individual(s) the Board deems appropriate. Such approval of all improvements shall be within the sole discretion of the Architectural Control Committee.

SECTION 2. PROCEDURES.

(a) Any person desiring to make any improvement, alteration or change described in Section 1 above shall submit the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the same, to the Architectural Control Committee which shall evaluate such plans and specifications in light of the purpose of this Article. In addition to the rights of the Architectural Control Committee provided herein, the Architectural Control Committee, as appropriate, shall have the right at any time to adopt an architectural review program pursuant to which plans relating to all proposed Improvements on the Property shall be submitted for review by an independent architectural review consultant engaged by the Architectural Control Committee for this purpose. In the event such a program is adopted, for each review conducted by the architectural review consultant, a review fee not to exceed two hundred (\$200.00)

dollars shall be paid by the Owner to the Architectural Control Committee at the time of submission of the plans for review. Such fee shall be subject to adjustment from time to time by the Architectural Control Committee based upon any increases in the charges of the architectural review consultant.

(b) Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specifications shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specification or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot. Approval of such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

(c) The Architectural Control Committee, in its sole discretion, may excuse compliance with such architectural requirements as are not necessary or appropriate in specific situations and may permit compliance with different or alternative requirements. Compliance with the design review process provided herein or in any guidelines of the Architectural Control Committee is not a substitute for compliance with building, zoning and subdivision regulations of the Town of Mount Pleasant or Charleston County, South Carolina, and each Owner is responsible for obtaining all approvals, licenses and permits as may be required prior to commencing construction. Approval by the Architectural Control Committee does not necessarily assure approval by the appropriate governmental board or commission in the Town of Mount Pleasant or Charleston County, South Carolina.

(d) Neither Declarant, nor any other member of the Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by the Architectural Control Committee, nor for any structural defects in any work done according to such plans and specifications approved by the Architectural Control Committee. FURTHER, NEITHER DECLARANT, NOR ANY MEMBER OF THE ARCHITECTURAL CONTROL COMMITTEE SHALL BE LIABLE IN DAMAGES TO ANYONE BY REASON OF MISTAKE IN JUDGMENT, NEGLIGENCE, MISFEASANCE, MALFEASANCE OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OF

SPECIFICATIONS OR THE EXERCISE OF ANY OTHER POWER OR RIGHT OF THE ARCHITECTURAL CONTROL COMMITTEE PROVIDED FOR IN THIS DECLARATION. EVERY PERSON WHO SUBMITS PLANS AND SPECIFICATIONS TO THE ARCHITECTURAL CONTROL COMMITTEE FOR APPROVAL AGREES, BY SUBMISSIONS OF SUCH PLAN AND SPECIFICATIONS, AND EVERY OWNER OF ANY LOT AGREES, THAT HE WILL NOT BEING ANY ACTION OR SUIT AGAINST DECLARANT, ASSOCIATION, ITS BOARD MEMBERS OR OFFICERS, OR ANY MEMBER OF THE ARCHITECTURAL CONTROL COMMITTEE, TO RECOVER ANY SUCH DAMAGES AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

ARTICLE VI  
EXTERIOR MAINTENANCE

The Association shall maintain the Common Area. Each Owner shall be responsible for the exterior maintenance of his or her dwelling and Lot, as follows: painting, replacement and care of roofs, gutters, downspouts, exterior building surfaces, lawn, trees, shrubs, driveways, walks and other exterior improvements.

In the event that the Owner neglects or fails to maintain his or her Lot and/or the exterior of his or her dwelling in a manner consistent with other Lots and dwellings in Planter's Pointe, the Association shall provide such exterior maintenance as provided above. Provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance himself or herself. The determination as to whether an Owner has neglected or failed to maintain his or her Lot and/or dwelling in a manner consistent with other Lots and dwellings in Planter's Pointe shall be made by the Board of Directors of the Association, in its sole discretion. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article.

In the event the Association performs such exterior maintenance, repair or replacement, the cost of such maintenance, replacement or repairs shall be added to and become a part of the assessment to which such Lot is subject.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the

responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner or the family, guests, lessees, or invitees of any Owner, and is not covered and paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot of such Owner.

ARTICLE VII  
USE RESTRICTIONS

SECTION 1. RESIDENTIAL USE OF PROPERTY. All Lots shall be used for single-family, residential purposes only, and no business or business activity shall be carried on or upon any Lot at any time, except with the written approval of the Architectural Control Committee; provided, however, that nothing herein shall prevent Declarant or any builder of homes in Planter's Pointe approved by Declarant from using any Lot owned by Declarant or such builder of homes for the purpose of carrying on business related to the development, improvement and sale of property in Planter's Pointe; and provided, further that, to the extent allowed by applicable zoning laws, private offices may be maintained in dwellings located on any of the Lots so long as such use is incidental to the primary residential use of the dwellings.

SECTION 2. SETBACKS AND BUILDING LINES. Each dwelling which shall be erected on any Lot shall be situated on such Lot in accordance with the building and setback lines approved for each lot in writing by the Architectural Control Committee before commencement of lot clearing preparatory to construction unless either a variance shall have been granted by Declarant or Declarant shall have amended the Plat. In no event shall any dwelling be erected and located upon any such Lot in a manner which violates the requirements and provisions of any applicable zoning ordinances and subdivision regulations.

SECTION 3. WALLS AND FENCES. No fence or wall shall be erected, placed, or altered on any Lot nearer to any street than said minimum building setback line unless the same be a retaining wall of masonry construction which does not in any event rise above the finished grade elevation of the earth embankment so retained, reinforced, or stabilized, except that this restriction shall not apply to fences or walls which have been approved by the Architectural Control Committee pursuant to Article V above. The exposed part of retaining walls shall be made of clay brick, natural stone, stucco, railroad ties, or veneered with brick or natural stone. Chain link fences and split rail fences with wire backing are prohibited except when the Architectural Control

Committee gives written approval. Furthermore, to guarantee the preservation of a particular view for adjoining and nearby land owners there shall not be erected or placed a fence, wall, tree, or shrub that may at present or in the future obstruct the view from any other Lot unless and except as approve by the Architectural Control Committee. No fencing shall be allowed parallel to the Pond within 50 feet from the rear property line and all approved fencing on Pond Lots shall be restricted to four feet unless and except as approved in writing by the Architectural Control Committee. No fencing shall be allowed in the front yard nor shall fencing be allowed past the rear house corner toward the front yard except when the Architectural Control Committee gives written approval. In addition to any other remedies, either Developer or Architectural Control Committee shall have the right, but not the obligation, at any time, without liability to Owner for trespass to enter upon any Lot and remove any improvement, constructed or maintained in violation of this Declaration or trim any tree or shrub obstructing the view of any Lot.

SECTION 4. SUBDIVISION OF LOT. One or more Lots or parts thereof may be subdivided or combined to form one single building Lot when approved, in writing, by Declarant, and, in such event, the building line requirements provided herein shall apply to such Lots as re-subdivided or combined and side line easements as shown on the plat shall be moved to follow the new side line so that the easement would run along the newly established side line.

SECTION 5. TERRACES; EAVES AND DETACHED GARAGES. For the purpose of determining compliance or noncompliance with the foregoing building line requirements, terraces, stoops, eaves, wing-walls, and steps extending beyond the outside wall of a structure shall not be considered as a part of the structure. No side yard shall be required for any detached garage or accessory outbuilding which has been approved, in writing, by the Architectural Control Committee; provided, all such detached structures must be to the rear of the main dwelling and must not encroach upon the Lot of an adjacent Owner.

SECTION 6. BUILDING REQUIREMENTS. The ground floor living areas of the main structure, exclusive of open porches, porte cocheres, garages, carports and breezeways, shall be not less than 1750 heated square feet for each one story dwelling or for each two story dwelling. Declarant reserves the right to increase or decrease the foregoing minimum square footage requirement with respect to all or a portion of the additional land annexed to the Properties in accordance with Article X, Section 5, Subsection (b) by recording an instrument which sets forth the increased or decreased minimum square footage requirement in the RMC Office, Charleston County, prior to or

contemporaneous with the annexation of such additional land or portion thereof by Declarant.

SECTION 7. OBSTRUCTIONS TO VIEW AT INTERSECTIONS. No part of any structure nor the lower branches of trees or other vegetation shall be permitted to obstruct the view at street intersections.

SECTION 8. DELIVERY RECEPTACLES AND PROPERTY IDENTIFICATION MARKERS. The Architectural Control Committee shall have the right to approve the location, color, size, design, lettering and all other particulars of receptacles for the receipt of mail, newspapers or similarly delivered materials, and of name signs for such receptacles, as well as property identification markers.

SECTION 9. USE OF OUTBUILDINGS AND SIMILAR STRUCTURES. No structure of temporary nature (unless approved in writing by the Architectural Control Committee) shall be erected or allowed to remain on any Lot, and no trailer, camper, shack, tent, garage, barn or other structure of a similar nature shall be used as a residence, either temporarily or permanently: provided, this Section shall not be construed to prevent the Declarant and those engaged in construction from using sheds or other temporary structures during construction.

#### ARTICLE X GENERAL PROVISIONS

SECTION 1. ENFORCEMENT. The Declarant, the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of the Declaration, the Articles of Incorporation or By-Laws of the Association. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Association shall have the right to request that law enforcement, public safety and animal control officers come on the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority. Should Declarant or the Association employ legal counsel to enforce any of the covenants, conditions, restrictions, easements or any other aspect of this Declaration, all costs incurred in such enforcement, including court costs and reasonable attorneys' fees shall be paid by the violating Owner.

Subject to the provisions herein, upon the violation of this Declaration, the By-Laws, or any rules and regulations duly adopted hereunder, including, without limitation, the failure to timely pay any assessments, the Board shall have the power (i) to impose reasonable monetary fines which shall constitute an equitable charge and a continuing lien upon the Lot or Dwelling, the Owners or Occupants of which are guilty of such violation, (ii) to suspend an Owner's right to vote in the Association, or (iii) to suspend an Owner's right (and the right of such Owner's

family, guest's and tenants and of the co-Owners of such Owner and their respective families, guests, and tenants) to use any of the recreational facilities located in the Common Area, and the Board shall have the power to impose all or any combination of these sanctions. An Owner shall be subject to the foregoing sanctions in the event of such a violation by such Owner, his family, guests, or tenants or by his co-Owners or the family, guests, or tenants of his co-Owners. Any such suspension of rights may be for the duration of the infraction and for any additional period thereafter, not to exceed thirty (30) days per violation.

SECTION 2. EXCUSED COMPLIANCE. Anything to the contrary contained herein notwithstanding, the Declarant may excuse compliance in whole or in part with any of the conditions, covenants, restrictions and reservations provided herein, in any Supplemental Covenants or in any amendment or supplement hereto, or a variance document, and may permit compliance with different or alternative requirements, if Declarant determines in the exercise of its good faith judgment that such action is warranted to promote orderly development and utilization of the Property for the benefit of all Owners.

SECTION 3. SEVERABILITY. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.

SECTION 4. AMENDMENT. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless during the last year of such initial or then current renewal term the Owners of seventy-five percent (75%) of the Lots agree in writing to terminate this Declaration at the end of such term. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loan, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the lots subject to this Declaration; (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure or guarantee

mortgage loans on the Lots subject to this Declaration; or (e) if such amendment is necessary to correct a scrivener's error in the drafting of this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. In addition to the above, this Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than seventy-five (75%) percent of the Lot Owners, and thereafter by an instrument signed by not less than sixty-five (65%) percent of the Lot Owners. Any amendment must be properly recorded. No provision of this Declaration which reserves or grants special rights to the Declarant shall be amended without the Declarant's prior written approval so long as the Declarant owns any property for development and/or sale which are under this Declaration or are subject to annexation.

SECTION 5. FEDERAL LENDING REQUIREMENTS. Declarant may (at Declarant's option) amend and modify this Declaration without obtaining the consent or approval of the Owners if such amendment or modification is necessary to cause this Declaration to comply with the requirements of the Federal Housing Administration, the Veterans Administration, Fannie Mae or other similar agency.

Any such amendment must be with the consent and approval of such agency and must be properly recorded.

SECTION 6. ANNEXATION.

(a) Except as set out in paragraph (b) of this Section, additional residential property and Common Area may be annexed to the Properties only with the consent of two-thirds (2/3) of each class of Members.

(b) Additional land which is not already made subject to the Declaration, within the area described in Exhibit "A" attached hereto and incorporated herein by reference or any other parcels contiguous with the land shown on Exhibit "A" (hereinafter collectively referred to as "Additional Land") including, but not limited to, residential property and Common Area may be annexed by the Declarant without the consent of Members within seven (7) years of the date of this instrument. That such Additional Land may be annexed as one parcel or as several parcels at different times. The annexation of said Additional Land authorized under this Section shall be made by filing of record a Supplemental Declaration with respect to the Additional Land which shall extend the operation and effect of the Declaration to such Additional Land and which upon the filing of record of said Supplemental Declaration shall constitute a part of the properties covered by the Declaration. The Supplemental Declaration may contain such additional covenants or restrictions as the Declarant in its sole judgement shall determine. Provided, however, that should Declarant elect to

improve and develop all or part of the Additional Land, Declarant shall have the right to (i) impose no covenants and restrictions whatsoever on all or part of the Additional Land, (ii) impose covenants and restrictions which are substantially different from those contained herein on all or part of the Additional Land or (iii) impose covenants and restrictions which are the same as or similar to those contained herein on all or part of the Additional Land. Should the Declarant create additional communities within the Additional Land and bring them within the scheme of this Declaration, each such additional community may be made up of residential lots, condominiums, cluster, multi-family rental units, commercial facilities, recreational facilities or any combination thereof as Declarant may determine to be appropriate. Notwithstanding anything contained herein which might otherwise be interpreted to produce a contrary result, this Declaration does not create any charge, lien or other encumbrance or restriction on any part of the Additional Land, or affect in any way the title thereto or any part thereof, nor does this Declaration create an obligation upon Declarant to improve and develop all or any portion of the Additional Land.

SECTION 7. AMPLIFICATION. The provisions of this Declaration are amplified by the Articles and Bylaws; but no such amplification shall alter or amend any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Articles and Bylaws on the other be interpreted, construed, and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything in the Articles or Bylaws to the contrary.

SECTION 8. TOTAL OR PARTIAL DESTRUCTION OF IMPROVEMENTS. In the event of a total or partial destruction of any improvements on the Common Area, and if available proceeds of insurance carried pursuant to this Declaration are sufficient to cover 85% of the repair or reconstruction, the Common Area shall be promptly repaired and rebuilt unless within 120 days from the date of such destruction, 75% or more of the owners entitled to vote at a duly called meeting, determine that such reconstruction shall not take place. If the insurance proceeds are less than 85% of the cost of reconstruction, reconstruction may nevertheless take place if, within 120 days from the date of destruction, the Owners of 75% of the Lots elect to rebuild.

SECTION 9. INVALIDATION. Invalidation of any one or more of these covenants by Judgment or Court Order shall in no wise affect any of the other provisions which shall remain in full force and effect.
