The vote of the absentee Owners shall be cast with the majority vote of those present in person or by proxy. This rule shall apply to all regular and special meetings and shall also apply when action on a matter requires more than fifty-one (51%) percent, provided notice of such pending action was included in the Notice of Meeting.

ARTICLE IV

COVENANTS FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties to which all infrastructure has been completed, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, said assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall also be a personal obligation for of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. In the case of co-ownership of a Lot, all such co-owners shall be jointly and severally liable for the entire amount of the indebtedness. Nothing stated herein shall relieve the Lot from the lien of such paid indebtedness.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the

residents in ASHLAND PLANTATION and for the improvements, maintenance, enhancement and operation of the Common Area and to provide such service which the Association may be authorized to provide.

Section 3. Maximum Annual Assessment. Until January 1, of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Eighty & NO/100 (\$180.00) Dollars per Lot.

(a) From and after January 1, of such year, the maximum annual assessment may be increased each year not more than ten (10%) percent above the maximum assessment for the previous year without a vote of the membership. To increase the Annual Assessment above ten (10%) percent in any year requires the vote of two-thirds (2/3) of each class of membership.

(b) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment which shall have the assent of two-thirds (2/3) of the votes of each class of membership, given at a regular or special meeting or a Mail vote.

Section 5. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly, or annual basis.

Section 6. Date of Commencement of Annual Assessments and Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon request of a mortgage lender or a prospective purchaser or either's attorney, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot has been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association to the person or entity so given as of the date of its issuance.

Section 7. Effect of Nonpayment of Assessment. Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum or the "Prime Rate" of the South Carolina National Bank of South Carolina plus four (4%) percent, whichever is greater. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property or both. No owner may waive or otherwise escape liability for the assessments provided for herein, by non-use of the Common Area or abandonment of his Lot.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Street Light Assessment is in Addition to the Annual Assessment. Each Owner will be assessed a proportional monthly charge for street lighting service, as prescribed by the South Carolina Public Service Commission.

ARTICLE V

In approving or disapproving such plans and specifications the reviewing entity shall consider the harmony of external design and location in relation to surrounding structures and topography. The said entity is expected to be subjective in exercising its authorities hereunder so as to maintain the aesthetic value of the property and therefore will not be required to explain its approval or disapproval of such plans. Failure to approve or disapprove such change or design and location within thirty (30) days after said plans and specifications have been submitted, shall result in automatic approval and
