If a Lot is sold under a recorded contract of sale, and the contract specifically so provides, the purchaser (rather than the fee owner) will be considered the Owner. If a Lot is owned by more than one (1) Person, all such Persons shall be jointly and severally obligated to perform the responsibilities of such Owner.

1.49 "Street Lights": Any street light which may be constructed upon or over the rights-of-way of the Private Streets, Parking Areas, or any other portions of the Properties.

1.50 "Supplemental Declaration": An instrument filed in the Public Records which subjects Additional Property to the Consolidated Declaration, designates Neighborhoods, and/or imposes, expressly or by reference, additional restrictions and obligations on the real property described in such instrument.

ARTICLE 2: PROPERTY RIGHTS

2.1 Common Area. The Common Area is owned by the Developer. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, which is appurtenant to and shall pass with the title to each Lot, subject to:

- (a) The Consolidated Declaration and all other Governing Documents;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The right of the Board to adopt, amend and repeal rules regulating the use and enjoyment of the Common Area, including rules limiting the number of guests who may use the Common Area;
- (d) The right of the Association to rent, lease or reserve certain portions of the Common Area to any Owner for the exclusive use of such Owner and his or her respective lessees, invitees, and guests upon such conditions as may be established by the Board;
- (e) The right of the Board to suspend the right of an Owner to use Recreational Areas and Exclusive Common Area pursuant to Section 4.4;
- (f) The right of the Board to impose reasonable requirements and charge reasonable admission or other use fees for the use of any facility situated upon, or otherwise constituting, the Common Area;
- (g) The right of the Board to permit use of any facilities situated on the Common Area by persons other than Owners, their families, lessees and guests upon payment of reasonable use fees, if any, established by the Board;
- (h) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred;
- (i) The right of the Association, acting through the Board, to dedicate or transfer all or any portion of the Common Area, subject to any approval requirements set forth in the Governing Documents;
- (j) The rights of certain Owners to the exclusive use, access and enjoyment of those portions of the Common Area designated "Exclusive Common Areas," as more particularly described in Section 2.3; and
- (k) The right of the Declarant to conduct activities and establish facilities within the Properties as provided in Article 13.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family,

lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Lot shall be deemed to have assigned all such rights to the lessee of such Lot; provided however, the Owner shall remain responsible for payment of all assessments and other charges. An Owner shall further be responsible for any damage or injury caused to such Common Area by the Owner and/or his or her family member, lessee and/or social invitee.

2.2 Private Streets. The Owners, their family members, lessees, social invitees, and licensees shall have a right and nonexclusive easement of use, access, and enjoyment in and to, over and across any Private Streets, whether or not such Private Streets is Common Area, for the purpose of ingress and egress to public rights-of-way. The rights and nonexclusive easements granted herein are appurtenant to the title to each Lot, subject to:

- (a) The Consolidated Declaration and all other Governing Documents;
- (b) The right of the Declarant, so long as the Declarant owns the Private Streets, to adopt, amend and repeal rules regulating the use and enjoyment of the Private Streets, provided that the Declarant shall not by the adoption of any rule or regulation bar access of the Owners across the Private Streets;
- (c) The right of the Declarant to dedicate all or any part of Private Streets;
- (d) The right of the Declarant to mortgage, pledge, or hypothecate any or all of the Private Streets as security for money borrowed or debts incurred, provided that the Declarant shall not subject the Private Streets to any security instrument without obtaining the agreement of the lender to subordinate its interest in the Private Streets to the easements for the Owners contained in this Section; and
- (e) The rights of the Declarant and the Association to maintain the Private Streets.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable.

2.3 Exclusive Common Area. Certain portions of the Common Area may be designated as Exclusive Common Area and reserved for the exclusive use or primary benefit of Owners and occupants of specified Lots or Neighborhoods. By way of illustration and not limitation, Exclusive Common Areas may include Entrance Monuments, landscaped medians and cul-de-sacs, and other portions of the Common Area within a particular Neighborhood or Neighborhoods. All costs associated with maintenance, repair, replacement, and insurance of an Exclusive Common Area shall be assessed against the Owners of Lots to which the Exclusive Common Areas are assigned either as a Neighborhood Assessment or as a Specific Assessment, as applicable.

During the Development Period, any Exclusive Common Area shall be designated as such, and the exclusive use thereof shall be assigned, in the deed by which the Common Area is conveyed to the Association, or in the Consolidated Declaration, or any Supplemental Declaration and/or on the subdivision plat relating to such Common Area. Any such assignment shall not preclude the Declarant from later assigning use of the same Exclusive Common Area to additional Lots and/or Neighborhoods during the Development Period. Following the termination of the Development Period, a portion of the Common Area may be assigned as Exclusive Common Area of particular Lots or a particular Neighborhood or Neighborhoods and Exclusive Common Area may be reassigned upon approval of the Board and the vote of Members holding a Majority of the total Class "A" (as defined below) votes in the Association, including, if applicable, a Majority of the Class "A" votes within the Neighborhood(s) to which the Exclusive Common Area is assigned, if previously assigned, and within the Neighborhood(s) to which the Exclusive Common Area is to be assigned or reassigned. Any reassignment of an Exclusive Common Area shall be set forth in a Supplemental Declaration executed by the Declarant and/or the

Board, as appropriate, or shall be shown on a revised subdivision plat relating to such Exclusive Common Area.

The Association may, upon approval of the Declarant, permit Owners of Lots in other Neighborhoods to use all or a portion of such Exclusive Common Area upon payment of reasonable use fees, which fees shall be used to offset the Neighborhood Expenses or Specific Assessments attributable to such Exclusive Common Area.

2.4 No Partition. Except as permitted in this Consolidated Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Consolidated Declaration. This Section shall not prohibit the Board from acquiring and disposing of other real property which may or may not be subject to this Consolidated Declaration.

2.5 Condemnation. The Association shall be the sole representative with respect to condemnation proceedings concerning Common Area and shall act as attorney-in-fact for all Owners in such matters. Whenever any part of the Common Area shall be taken by or conveyed under threat of condemnation to any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance. The Board may convey Common Area under threat of condemnation only if approved by Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and, during the Development Period, the written consent of the Declarant. The award made for such taking or proceeds of such conveyance shall be payable to the Association.

If the taking or conveyance involves a portion of the Common Area on which Improvements have been constructed, the Association shall restore or replace such Improvements on the remaining land included in the Common Area to the extent available, unless within sixty (60) Days after such taking, Members holding at least sixty-seven percent (67%) of the total Class "A" votes of the Association and, during the Development Period, the Declarant shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board and the ARC. The provisions of Section 6.1(c) regarding funds for the repair of damage or destruction shall apply.

If the taking or conveyance does not involve any Improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds may be used by the Association for such purposes as the Board shall determine.

2.6 View Impairment. Neither the Declarant nor the Association guarantees or represents that any view from Lots over and across the Common Area, including any lake, will be preserved without impairment. The Association shall have no obligation to prune or thin trees or other landscaping, and shall have the right, in its sole discretion, to add trees and other landscaping or to install Improvements or barriers (both natural and artificial) to the Common Area from time to time. Any such additions or changes may diminish or obstruct any view from the Lots and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed. Each Owner, by acceptance of a deed, acknowledges that any view from the Lot as of the date of the purchase of the Lot may be impaired or obstructed by the natural growth of existing landscaping, the installation of additional trees, other landscaping or other types of improvements or barriers (both natural and artificial) on the Common Area.

ARTICLE 3: MEMBERSHIP, VOTING RIGHTS, AND NEIGHBORHOODS

3.1 Membership. Every Owner shall be a Member of the Association. There shall be only one (1) membership per Lot. If a Lot is owned by more than one (1) Person, all co-Owners shall share the

privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.2(d) below and in the By-Laws. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, member, manager, partner or trustee of such Owner, or by any individual designated from time to time by the Owner in a written instrument provided to the secretary of the Association.

3.2 Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B."

(a) Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Each Class "A" Member shall have one (1) equal vote for each Lot in which he or she holds the interest required for membership under Section 3.1; provided however, there shall be only one (1) vote per Lot and no vote shall be exercised for any property which is exempt from assessment under Section 8.10. All Class "A" votes shall be cast as provided in Section 3.2(d) below.

(b) Class "B". The sole Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve, or withhold approval of, actions proposed under this Consolidated Declaration, the By-Laws and the Articles, are specified in the relevant sections of this Consolidated Declaration and the By-Laws. The Class "B" Member shall appoint the members of the Board of Directors. The Class "B" membership shall terminate when the first of the following occurs:

(i) when one hundred percent (100%) of the total number of Lots permitted by the Master Plan for the property described on Exhibits "A" and "B" have certificates of occupancy issued thereon and have been conveyed to Persons other than Declarant or Builders;

(ii) Twenty-five (25) years from the date of recording of the Consolidated Declaration; or

(iii) when, in its discretion, the Class "B" Member so determines and voluntarily relinquishes such right, in writing, and recorded in the Public Records.

At such time the Declarant shall be a Class "A" Member entitled to Class "A" votes for each Lot which it owns. After termination of the Class "B" membership, the Declarant shall have a right to disapprove actions of the Board, the ARC, and committees as provided in the Consolidated Declaration.

(c) Additional Classes of Membership. The Declarant may, by Supplemental Declaration, create additional classes of membership for the owners of Lots within any Additional Property made subject to this Consolidated Declaration pursuant to Article 7, with such rights, privileges and obligations as may be specified in such Supplemental Declaration, in recognition of the different character and intended use of the property subject to such Supplemental Declaration.

(d) Exercise of Voting Rights. If there is more than one (1) Owner of a Lot, the vote for such Lot shall be exercised as the co-Owners determine among themselves and as they shall advise the secretary of the Association in writing prior to the vote being taken. Absent such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise it. If there is only one (1) Owner of a Lot, the vote for such Lot shall be exercised by such Owner advising the secretary of the Association in writing prior to the vote being taken; absent such advice, the Lot's vote shall be suspended. No vote shall be exercised on behalf of any Lot if any assessment for such Lot is delinquent

3.3 Neighborhoods. Every Lot shall be located within a Neighborhood; provided however, unless and until additional Neighborhoods are established, the Properties shall consist of one (1)

Neighborhood. The Declarant, in its sole discretion, may establish Neighborhoods within the Properties by designation on Exhibits "A" and "B" to this Consolidated Declaration, a Supplemental Declaration, a plat, or a metes and bounds description. During the Development Period, the Declarant may unilaterally amend this Consolidated Declaration, any Supplemental Declaration, or any plat from time to time to assign property to a specific Neighborhood, to redesignate Neighborhood boundaries, or to remove property from a specific Neighborhood.

The Owner(s) of a Majority of the total number of Lots within any Neighborhood may at any time petition the Board of Directors to divide the property comprising the Neighborhood into two (2) or more Neighborhoods. Such petition shall be in writing and shall include a survey of the entire parcel which indicates the proposed boundaries of the new Neighborhoods or otherwise identifies the Lots to be included within the proposed Neighborhoods. Such petition shall be deemed granted thirty (30) Days following the filing of all required documents with the Board unless the Board of Directors denies such application in writing within such thirty (30) Day period. The Board may deny an application only upon determination that there is no reasonable basis for distinguishing between the areas proposed to be divided into separate Neighborhoods. All applications and copies of any denials shall be filed with the books and records of the Association. The Owners requesting the division shall be responsible for any expenses incurred with respect to implementing a division of a Neighborhood, including but not limited to, a Supplemental Declaration or revised plat, if the application is approved.

The Lots within a particular Neighborhood may be subject to additional covenants and/or the Lot Owners may be members of a Neighborhood Association in addition to the Association. However, a Neighborhood Association shall not be required except as required by law. Any Neighborhood which does not have a Neighborhood Association may, but shall not be obligated to, elect a Neighborhood Committee, as described in the By-Laws, to represent the interests of Owners of Lots in such Neighborhood. No Neighborhood Association or Neighborhood Committee shall be formed or otherwise established without the prior submission to and written approval of Declarant of all documents creating or establishing such Neighborhood Association or Neighborhood Committee, including without limitation, the submission of any declaration of condominium, articles of incorporation, by-laws and other organizational and governing documents.

Any Neighborhood may request that the Association provide a higher level of service or special services for the benefit of Lots in such Neighborhood and, upon the affirmative vote, written consent, or a combination thereof, of Owners of a Majority of the Lots within the Neighborhood, the Association may, in its sole discretion, provide the requested services. The cost of such services, which may include a reasonable administrative charge in such amount as the Board deems appropriate (provided any such administrative charge shall apply at a uniform rate per Lot to all Neighborhoods receiving the same service), shall be assessed against the Lots within such Neighborhood as a Neighborhood Assessment pursuant to Article 8 hereof.

ARTICLE 4: RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1 Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Area of Common Responsibility and all improvements thereon. The Association shall be the primary entity responsible for enforcement of this Consolidated Declaration and such reasonable rules regulating use of the Properties as the Board may adopt pursuant to Article 10. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Consolidated Declaration and in the Architectural and Design Guidelines. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of South Carolina.

4.2 Personal Property and Real Property for Common Use. The Association may acquire, hold, and dispose of tangible and intangible personal property and real property. The Declarant and its designees, with the Declarant's prior written consent, may convey to the Association improved or unimproved real estate, or interests in real estate, located within the property described in Exhibits "A" or "B," personal property and leasehold and other property interests. Such property shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. Declarant shall not be required to make any improvements or repairs whatsoever to property to be conveyed and accepted pursuant to this Section including, without limitation, dredging or otherwise removing silt from any lake or other body of water that may be conveyed. Upon written request of Declarant, the Association shall reconvey to Declarant any portions of the Properties originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines, provided that the reconveyance has no material adverse effect upon the rights of the Owners.

The Association agrees that the Common Area, including all improvements thereon, shall be conveyed in its "where is, as is" condition and without recourse, and Declarant disclaims and makes no representations, warranties or other agreements express or implied with respect thereto, including without limitation, representations or warranties of merchantability or fitness for the ordinary or any particular purpose, and representations or warranties regarding the conditions, design, construction, accuracy, completeness, adequacy of the size or capacity in relation to utilization or the future economic performance or operations of the Common Area. No claim shall be made by the Association or any Owner relating to the condition, operation, or completeness of the Common Area or for incidental or consequential damages arising therefrom. Declarant will transfer and assign to the Association, without recourse, all warranties which it receives from manufacturers and suppliers relating to any of the Common Area which exist and are assignable.

4.3 Boats. Each Owner acknowledges and understands that: (a) the Common Area may include boats, of such kind, make, model and size as the Declarant or the Board may designate with the prior written approval of the Declarant during the Development Period ("Boats"); (b) said Boats may be located outside of the Properties at a marina facility in the vicinity of the Properties as the Board, with the prior written consent of the Declarant during the Development Period, shall determine and (c) such marina facility may be owned by the Declarant, the Association or a third party. Each Owner further acknowledges, understands and agrees that use of the Boats shall be subject to any Association rules and the other Governing Documents, applicable governmental laws, ordinances, rules and regulations, and such use fees as the Board may determine, with the prior written approval of the Declarant during the Development Period, and that the cost of operating, maintaining, repairing, replacing, insuring and storing the Boats shall be a Common Expense. Each Owner acknowledges, understands and agrees each Person who uses a Boat does so at his or her own risk and assumes all risks of personal injury, and loss or damage to property resulting from or associated with use of any Boat; every Owner shall be responsible for his or her family members, guests, invitees or licensees.

4.4 Enforcement. The Board or any committee established by the Board, with the Board's approval, may impose sanctions for violation of the Governing Documents after compliance with the notice and hearing procedures set forth in the By-Laws. Such sanctions may include, without limitation:

(a) imposing monetary fines, up to the maximum limit allowed under South Carolina law, which shall constitute a lien upon the Lot of the violator;

(b) filing notices of violations in the Public Records providing record notice of any violation of the Governing Documents;

(c) suspending an Owner's right to vote;

(d) suspending any Person's right to use any recreational facilities within the Common Area and any part of the Exclusive Common Area; provided however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot; and

(e) suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than thirty (30) Days delinquent in paying any assessment or other charge owed to the Association.

In the event that any occupant, guest or invitee of a Lot violates the Governing Documents, the Board or any committee established by the Board, with the Board's approval, may sanction such occupant, guest or invitee and/or the Owner of the Lot that the violator is occupying or visiting. If a fine is imposed, the fine may first be assessed against the occupant; provided however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Board.

In addition, the Board, or the covenants committee if established, may elect to enforce any provision of the Governing Documents by exercising self-help (specifically including, but not limited to, the filing of liens in the Public Records for non-payment of assessments and other charges, the towing of vehicles that are in violation of parking rules, the removal of pets that are in violation of pet rules, or the correction of any maintenance, construction or other violation of the Governing Documents) without the necessity of compliance with the procedures set forth in the By-Laws. The Association may levy Specific Assessments to cover all costs incurred in exercising self-help and in bringing a Lot into compliance with the terms of the Governing Documents.

The Association may also elect to enforce any provisions of the Governing Documents by suit at law to recover monetary damages or in equity to enjoin any violation or both without the necessity of compliance with the procedures set forth in the By-Laws.

All remedies set forth in this Consolidated Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. In any action or remedy taken by the Association to enforce the provisions of the Governing Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, reasonable attorney's fees and court costs, incurred in such action, regardless of whether suit is filed and including any appeals.

The Association shall not be obligated to take action to enforce any covenant, restriction, or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed a waiver of the right of the Association to enforce such provision under any circumstances or prevent the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county, city, state and federal laws and ordinances, if applicable, and permit local and other governments to enforce laws and ordinances on the Properties for the benefit of the Association and its Members.

4.5 Implied Rights: Board Authority. The Association may exercise any right or privilege given to it expressly by this Consolidated Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Consolidated Declaration, the By-Laws, the Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.6 Governmental Interests. During the Development Period, the Declarant may designate sites within the Properties for fire, police, and utility facilities, and parks, streets, and other public or quasi-public facilities. No membership approval shall be required for such designation. The sites may include Common Area, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant. The sites may include other property not owned by Declarant provided the owner of such property consents.

4.7 Indemnification. The Association shall indemnify every officer, director, ARC member and committee member against all damages, liabilities, and expenses, including reasonable attorney's fees, incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, ARC member or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section, the Articles of Incorporation and South Carolina law.

The officers, directors, ARC members and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers, directors, ARC members, and committee members shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers, directors, ARC members or committee members may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director, ARC member and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, ARC member or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

4.8 Dedication of or Grant of Easements on Common Area. The Association with the written consent of the Declarant may dedicate or grant easements across portions of the Common Area to Pickens, South Carolina, or to any other local, state, or federal governmental or quasi-governmental entity, or to any public or private utility company.

4.9 Security. Each Owner and occupant of a Lot, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in the Properties. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the original Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection or security system or measure, including any mechanism or system for limiting access to the Properties, cannot be compromised or circumvented, nor that any such system or security measure undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. No representation or warranty is made that the lighting facilities or systems (including the placement thereof) will adequately illuminate or attempt to adequately illuminate all of the Common Areas, or that such facilities or systems will be designed with safety measures in mind. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Lot that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers or guarantors of safety and security within the Properties and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including Lots and the contents of Lots, resulting from acts of third parties.

4.10 Restricted Access Fence and Gates. Access to all or any portion of the Properties may, at the Declarant's or Board of Director's sole discretion, be restricted by a fence and one or more gates located along the perimeter of the Properties. Vehicular access into the Properties may be restricted by electronically operated or other controlled access entry gates located at the entrances into the Properties, and pedestrian access may be restricted by pedestrian gates at other points. The restricted access gates may or may not be staffed, at the discretion of the Declarant or Board of Directors. Any such gate staffing may be modified or eliminated at any time without notice. The use and operation of any restricted access fence and gate may be limited or eliminated from time to time by the Declarant or the Board of Directors.

4.11 Utility Lines. Each Owner, occupant, guest, and invitee acknowledges that neither the Association, the Board nor Declarant shall in any way be considered insurers or guarantors of health or safety within the Properties and neither the Association, the Board, nor Declarant shall be held liable for any personal injury, illness or any other loss or damage caused by the presence or malfunction of utility lines or utility sub-stations adjacent to, near, over, or on the Properties. Each Owner, occupant, guest, and invitee assumes all risk of personal injury, illness, or other loss or damage arising from the presence of utility lines or utility sub-stations and further acknowledges that neither Declarant nor the Association have made any representations or warranties, nor has any Owner, occupant, guest, or invitee relied upon any representations or warranties, expressed or implied, relative to the condition or impact of utility lines or utility sub-stations.

4.12 Trails. The Declarant reserves for itself, its successors and assigns, and the Association, the right to designate certain areas within the Properties, including the Common Area, to be used as recreational bike and pedestrian pathways and trails ("trail system"). Each Owner acknowledges, understands and covenants to inform the occupants of such Owner's Lot, that the Properties may contain a trail system and that there may be certain inconveniences and loss of privacy associated with the ownership of Lots adjacent to such trail system resulting from the use of the trail system by the Declarant, the Association, its Members, their tenants, occupants, guests and invitees.

4.13 Powers of the Association Relating to Neighborhood Associations. The Association may veto any action taken or contemplated by any Neighborhood Association which the Board reasonably determines to be adverse to the interests of the Association or its Members or inconsistent with the Community-Wide Standard. The Association also may require specific action to be taken by any Neighborhood Association to fulfill its obligations and responsibilities under any Governing Document. For example, the Association may require that specific maintenance or repairs or aesthetic changes be performed by the Neighborhood Association. If the Neighborhood Association fails to comply with such requirements within a reasonable time as specified in writing by the Association, the Association may effect such action on behalf of the Neighborhood Association and assess the Lots within such Neighborhood for any expenses incurred by the Association in taking such action. Such assessments may be collected as a Specific Assessment.

4.14 Provision of Services. The Association may provide services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense or a Neighborhood Expense, depending on whether the service or facility is provided to all Lots or only the Lots within a specified Neighborhood. In addition, the Board shall be authorized to charge use and consumption fees for services and facilities through Specific Assessments or by requiring payment at the time the service or facility is provided. As an alternative, the Association may arrange for the costs of the services and facilities to be billed directly to Owners by the providers) of such services and facilities. By way of example, some services and facilities which may be

provided include garbage collection, pest control service, cable, digital, satellite or similar television service, internet, intranet, and other computer related services, security, caretaker, fire protection, utilities, and similar services and facilities. The Board, without the consent of the Class "A" Members of the Association, shall be permitted to modify or cancel existing services or facilities provided by the Association, if any, or to provide additional services and facilities. Nothing contained herein can be relied upon as a representation as to the services and facilities, if any, which will be provided by the Association.

4.15 Rezoning. No Owner or any other Person may apply or join in an application to amend, vary or modify the zoning ordinance applicable to all or any portion of the Properties or rezone or apply for any zoning variance or waiver as to all or any portion of the Properties without the prior written consent of Declarant. Each Person that acquires any interest in the Properties acknowledges that Keowee Mountain is a master planned community, the development of which is likely to extend over many years, and agrees not to protest or challenge (a) changes in uses or density of property outside the Neighborhood in which such Person owns a Lot, or (b) changes in the Master Plan relating to property outside the Neighborhood in which such Person owns a Lot. Declarant may apply for such rezoning as to any portion of the Properties owned by it at any time.

4.16 Lake. Neither the Association, the original Declarant, nor any successor Declarant shall be held liable for any loss or damage by reason of use of any lake or body of water, as may exist naturally or be developed by the Declarant during the Development Period for any purpose by Owners, their invitees, licensees, and tenants. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Lot that the Association, its Board of Directors, ARC and committees, Declarant, and any successor Declarant are not insurers and that each Person using any lake or body of water, as may exist naturally or be developed by the Declarant during the Development Period shall do so only in accordance with any rules adopted by the Board and applicable governmental laws, ordinances, rules and regulations. Each Person assumes all risks of personal injury, and loss or damage to property, including Lots, resulting from or associated with use of any lake or other body of water. In addition, the Association shall not be responsible for maintaining, increasing or decreasing the water level within any water body or removing vegetation from any water body except to the extent as may be required in the performance of its duties under Section 5.1 (iv) below.

4.17 Wetlands. Each Owner acknowledges and understands that portions of the Properties (the "Protected Wetlands") are subject to the restrictive covenants set forth in that certain Declaration of Restrictive Covenants For Wetlands Mitigation, dated April 23, 2002, and recorded June 19, 2002, in the Public Records at Book 670, Page 174-177, as the same may be amended from time to time ("Wetlands Declaration"), in accordance with the Wetlands Declaration, the Protected Wetlands shall remain substantially in its natural condition forever, pursuant to the provisions of the Wetlands Declaration. Each Owner covenants to comply with the Wetlands Declaration. Each Owner acknowledges and understands that the Declarant may designate additional portions of the Properties as protected environmental areas during the Development Period.

ARTICLE 5: MAINTENANCE

5.1 Association's Responsibility

(a) The Association shall maintain and keep in good condition, order and repair the Area of Common Responsibility, which shall include, but need not be limited to:

- (i) all Common Area;
- (ii) Private Streets;

(iii) Entrance Monuments;
(iv) Parking Areas;
(v) Recreational Areas;
(vi) Street Lights;
(vii) all landscaping and other flora, parks, trails, and Improvements situated upon the Common Area;

(viii) all furnishings, equipment and other personal property of the Association;

(ix) any landscaping and other flora, parks, bike and pedestrian pathways/trails, sidewalks, buffers, entry features, structures and improvements within public rights-of-way within or abutting the Properties or upon such other public land adjacent to the Properties as deemed necessary in the discretion of the Board;

(x) such additional portions of any property included within the Area of Common Responsibility as may be dictated by this Consolidated Declaration, any Supplemental Declaration, any Cost Sharing Agreement, or any contract or agreement for maintenance thereof entered into by the Association;

(xi) all lakes, streams and/or wetlands located within the Properties which serve as part of the drainage and storm water retention system for the Properties, including any retaining walls, bulkheads or dams (earthen or otherwise) retaining water therein, and any fountains, lighting, pumps, conduits, and similar equipment installed therein or used in connection therewith; and

(xii) any property and facilities, including the Clubhouse and its furnishings, fixtures, and equipment, owned by the Declarant and made available on a temporary or permanent basis for the primary use and enjoyment of the Association and its Members; such property and facilities shall be identified on a written notice from the Declarant to the Association and remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may, as a Common Expense, maintain other property and improvements which it does not own, including, without limitation, property dedicated to the public, or provide maintenance or services related to such property over and above the level being provided by the property owner, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(b) The Association shall maintain the facilities and equipment within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members holding sixty-seven percent (67%) of the Class "A" votes in the Association and during the Development Period the Declarant agree in writing to discontinue such operation.

(c) The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that (i) such maintenance responsibility is otherwise assumed by or assigned to an Owner or a Neighborhood Association or (ii) such property is dedicated to any local, state, or federal government or quasi-governmental entity; provided however, that in connection with such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Consolidated Declaration or any other means during the Development Period except with the written consent of the Declarant.

(d) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Lots as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to the Governing Documents, any recorded covenants, or any agreements with the owner(s) thereof. All costs associated with maintenance, repair and replacement of Exclusive Common Areas shall be a Neighborhood Expense assessed as a Neighborhood Assessment solely against the Lots within the Neighborhood(s) to which the Exclusive Common Areas are assigned, or a Specific Assessment against the particular Lots to which the Exclusive Common Areas are assigned, notwithstanding that the Association may be responsible for performing such maintenance hereunder. If all Lots within a Neighborhood have similar Exclusive Common Areas, the Association may cumulate such expenses and assess the costs as Neighborhood Assessments against all Lots within such Neighborhood.

(e) In the event that the Association fails to properly perform its maintenance responsibilities hereunder and to comply with the Community-Wide Standard, the Declarant may, upon not less than ten (10) Days' notice and opportunity to cure such failure, cause such maintenance to be performed and in such event, shall be entitled to reimbursement from the Association for all costs incurred.

5.2 Owner's Responsibility. Each Owner shall maintain his or her Lot, and all structures, parking areas, sprinkler and irrigation systems, landscaping and other flora, and other improvements on the Lot and all landscaping located in the right-of-way immediately adjacent to the Owner's Lot in a manner consistent with the Community-Wide Standard, the Architectural and Design Guidelines, and all Governing Documents, unless such maintenance responsibility is otherwise assumed by or assigned to the Association or a Neighborhood Association. Each Owner shall also maintain the driveway and mailbox serving his or her Lot. Additionally, each Owner shall be responsible for keeping any storm drain(s) located upon his or her Lot clear of debris. In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner in accordance with Section 8.6(c). The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation. Entry under this Section shall not constitute a trespass.

5.3 Neighborhood's Responsibility. Upon resolution of the Board of Directors, the Owners of Lots within each Neighborhood shall be responsible for paying, through Neighborhood Assessments, the costs of operating, maintaining and insuring certain portions of the Area of Common Responsibility within or adjacent to such Neighborhood. This may include, without limitation, the costs of maintaining any signage, right-of-way and greenspace between the Neighborhood and adjacent public roads, Private Streets within the Neighborhood, and lakes within the Neighborhood, regardless of ownership or the Person performing the maintenance; provided however, all Neighborhoods which are similarly situated shall be treated the same.

Any Neighborhood Association having responsibility for maintenance within a particular Neighborhood pursuant to additional covenants applicable to such Neighborhood shall perform such maintenance responsibility in a manner consistent with the Community-Wide Standard. If it fails to do

so, the Association may perform such responsibilities and assess the costs as a Specific Assessment against all Lots within such Neighborhood as provided in Section 8.6.

5.4 Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all Governing Documents. Neither the Association, any Owner nor any Neighborhood Association shall be liable for any damage or injury occurring on, or arising out of the condition of, property which such Person does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

5.5 Party Walls and Similar Structures

(a) General Rules of Law to Apply. Each wall, fence, driveway or similar structure built as a part of the original construction on the Lots which serves and/or separates any two (2) adjoining Lots shall constitute a party structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party structure shall be shared equally by the Owners who make use of the party structure.

(c) Damage and Destruction. If a party structure is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the structure may restore it. If other Owners thereafter use the structure, they shall contribute to the restoration cost in equal proportions. However, such contribution will not prejudice the right to call for a larger contribution from the other users under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

5.6 Cost Sharing Agreements. Adjacent to or in the vicinity of the Properties, there may be certain residential, nonresidential or recreational areas, including without limitation single family residential developments, retail, commercial, or business areas, which are not subject to this Consolidated Declaration and which are neither Lots nor Common Area as defined in this Consolidated Declaration (hereinafter "adjacent properties"). The owners of such adjacent properties shall not be Members of the Association, shall not be entitled to vote, and shall not be subject to assessment under Article 8 of this Consolidated Declaration.

The Association may enter into one (1) or more Cost Sharing Agreements with the owners or operators of portions of the adjacent properties:

(a) to obligate the owners or operators of such adjacent properties to perform and/or to share in certain costs associated with, the maintenance, repair, replacement and insuring of portions of the Area of Common Responsibility, if any, which are used by or benefit jointly the owners or operators of such adjacent properties and the owners within the Properties;

(b) to permit use of any recreational and other facilities located on the Common Areas by the owners or operators of such adjacent properties;

(c) to permit use of any recreational and other facilities located on such adjacent properties by the Owners of all Lots or by the Owners of Lots within specified Neighborhoods;

(d) to obligate the Association to share in certain costs associated with the maintenance, repair, replacement and insuring of portions of such adjacent properties, if any, which are used by or benefit jointly the owners or operators of such adjacent properties and the owners within the Properties; and/or

(e) to establish rules and regulations regarding the use of areas that benefit jointly the owners or operators of such adjacent properties and the owners within the Properties.

The owners or operators of such adjacent properties shall be subject to assessment by the Association only in accordance with the provisions of such Cost Sharing Agreement(s). If the Association is obligated to share costs incurred by the owners of such adjacent properties, such payments by the Association shall be deemed to constitute Common Expenses of the Association unless the Cost Sharing Agreement provides otherwise. The owners or operators of the adjacent properties shall not be subject to the restrictions contained in this Consolidated Declaration except as otherwise specifically provided herein.

ARTICLE 6: INSURANCE AND CASUALTY LOSSES

6.1 Association Insurance.

(a) Required Coverages. With the approval of the Declarant, the Association, acting through its Board or its duly authorized agent, may obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering "risks of direct physical loss" on a special form" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area or personal property constituting Common Area, including but not limited to the Boats, if any, and on other portions of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair and/or replacement in the event of a casualty. If such coverage is not generally available at reasonable cost, then "broad form" coverage may be substituted. The Association shall have the authority to and interest in insuring any property for which it has maintenance or repair responsibility, regardless of ownership. All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full replacement cost of the insured improvements;

(ii) Commercial general liability insurance on all public ways located within the Properties and on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and any umbrella coverage) shall have a limit of at least one million dollars (\$1,000,000.00) per occurrence with respect to bodily injury, personal injury, and property damage, provided should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain such additional coverages or limits;

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;

(iv) Directors and officers liability coverage;

(v) Fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's best business judgment but not less than an amount equal to one-sixth (1/6th) of the annual General Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance.

(1) In the event that any portion of the Common Area is or shall become located in an area identified by the Federal Emergency Management Agency ("FEMA") as an area having special flood hazards, a "blanket" policy of flood insurance on the Common Area must be maintained in the amount of one hundred percent (100%) of current "replacement cost" of all affected improvements and other insurable property or the maximum limit of coverage available, whichever is less.

(2) In addition, the Association may obtain and maintain property insurance on the insurable improvements within any Neighborhood in such amounts and with such coverages as the Owners in such Neighborhood may agree upon pursuant to Section 3.3. Any such policies shall provide for a certificate of insurance to be furnished to the Neighborhood Association and to the Owner of each Lot insured upon request.

Premiums for all insurance on the Area of Common Responsibility shall be Common Expenses and shall be included in the General Assessment, except that (i) premiums for property insurance obtained on behalf of a Neighborhood shall be charged to the Owners of Lots within the benefited Neighborhood as a Neighborhood Assessment; and (ii) premiums for insurance on Exclusive Common Areas may be included in the Neighborhood Assessment of the Neighborhood(s) benefited unless the Board of Directors reasonably determines that other treatment of the premiums is more appropriate. In the event of an insured loss, the deductible shall be treated as a Common Expense or a Neighborhood Expense and assessed in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss resulted from the negligence or willful misconduct of one (1) or more Owners, their guests, invitees, or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Lots pursuant to Section 8.6.

(b) Policy Requirements. The Association shall arrange for periodic reviews of the sufficiency of insurance coverage by one (1) or more qualified Persons, at least one (1) of whom must be familiar with insurable replacement costs in the Pickens County, South Carolina area.

All Association policies shall provide for a certificate of insurance to be furnished to the Association and to each Member upon written request. The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 6.1(a).

(i) All insurance coverage obtained by the Board shall:

(1) be written with a company authorized to do business in the State

of South Carolina which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(2) be written in the name of the Association as trustee for the benefited parties. Policies on the Common Areas shall be for the benefit of the Association and its Members. Policies secured on behalf of a Neighborhood shall be for the benefit of the Owners of Lots within the Neighborhood and their Mortgagees, as their interests may appear;

(3) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(4) contain an inflation guard endorsement;

(5) include an agreed amount endorsement, if the policy contains a co-insurance clause; and

(6) an endorsement requiring at least forty-five (45) days prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

(ii) In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

(1) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and manager, the Owners and their tenants, servants, agents, and guests;

(2) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(3) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one (1) or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(4) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(5) a cross liability provision; and

(6) a provision vesting the Board with the exclusive authority to adjust losses; provided however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

(c) Damage and Destruction. In the event of any insured loss covered by insurance held by the Association, only the Board or its duly authorized agent may file and adjust insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair, reconstruction or replacement, as used in this subsection, means repairing or restoring the property to substantially the condition existing prior to the damage, or replacing a personal property that cannot be repaired, and allowing for changes or improvements necessitated by changes in applicable building or boating codes.

Any damage to or destruction of the Common Area shall be repaired, reconstructed or replaced

unless the Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association, and during the Development Period the Declarant decide within sixty (60) Days after the loss, either (i) not to repair, reconstruct or replace or (ii) to construct or acquire alternative improvements.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair, reconstruction, and/or replacement, as applicable, are not available to the Association within such sixty (60) Day period, then the period shall be extended until such funds or information are available. However, such extension shall not exceed sixty (60) additional Days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed or the Common Area replaced and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins or otherwise disposed of, as applicable, and thereafter, where applicable, shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair, reconstruction, or replacement or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association or the Neighborhood, as appropriate, and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot; provided, damage or destruction to any Boat shall not be deemed to affect any Lot and insurance proceeds remaining after paying the costs of repair, reconstruction, or replacement of a Boat or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association.

If insurance proceeds are insufficient to cover the costs of repair, reconstruction, or repair, the Board of Directors may, without a vote of the Members, levy Special Assessments to cover the shortfall against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1(a).

6.2 Owners' Insurance. By virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on his or her Lot, less a reasonable deductible, unless either the Neighborhood Association (if any) for the Neighborhood in which the Lot is located or the Association carries such insurance (which they may, but are not obligated to do hereunder). If the Association assumes responsibility for obtaining any insurance coverage on behalf of Owners, the premiums for such insurance shall be levied as a Specific Assessment against the benefited Lot and the Owner thereof pursuant to Section 8.6.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures or landscaping on or comprising his or her Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure or landscaping consistent with the original construction or such other plans and specifications as are approved in accordance with Article 9. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and the Architectural and Design Guidelines. The Owner shall pay any costs which are not covered by insurance proceeds.

The requirements of this Section shall also apply to any Neighborhood Association that owns common property within the Neighborhood in the same manner as if the Neighborhood Association were an Owner and the common property were a Lot. Additional recorded covenants applicable to any Neighborhood may establish more stringent requirements for insurance and more stringent standards for

rebuilding or reconstructing structures on the Lots within such Neighborhood and for clearing and maintaining the Lots in the event the structures are not rebuilt or reconstructed.

6.3 Owner's Personal Property. Notwithstanding any provisions herein to the contrary, neither the Association nor the Declarant shall be liable for the safekeeping or condition of any personal property located on or used at the Common Area, including, without limitation, the Storage Area. Each Owner shall be solely responsible for loss or damage to personal property, and shall be responsible for the purchase of any liability or other insurance for damage to or loss of such property. Every Owner using the Storage Area shall submit a Certificate of Insurance to the Association showing proof of liability insurance and property damage coverage on the boat or vehicle being stored in coverage amounts established by the Association.

6.4 Limitation of Liability. Notwithstanding the duty of the Association to maintain and repair portions of the Common Area, neither the Association, its Board of Directors, its successors or assigns, nor any officer or director or committee member, employee, agent, contractor (including the management company, if any) of any of them shall be liable to any Member or any member of a Member's immediate household for any injury or damage sustained in the Area of Common Responsibility, the Common Area or other area maintained by the Association, or for any injury or damage caused by the negligence or misconduct of any Members or their family members, guests, invitees, agents, servants, contractors or lessees, whether such loss occurs in the Common Area or in individual Lots.

Each Owner, by virtue of the acceptance of title to his or her Lot, and each other Person having an interest in or right to use any portion of the Properties, by virtue of accepting such interest or right to use, shall be bound by this Section and shall be deemed to have automatically waived any and all rights, claims, demands, and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed under this Section.

ARTICLE 7: ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1 Annexation by Declarant. Until twenty-five (25) years after the recording of this Consolidated Declaration in the Public Records, Declarant may from time to time unilaterally subject to the provisions of this Consolidated Declaration all or any portion of Additional Property. The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by filing an Amended and/or Supplemental Declaration in the Public Records describing the property being annexed. Such Amended and/or Supplemental Declaration shall not require the consent of the Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Amended and/or Supplemental Declaration unless otherwise provided therein.

Nothing in this Consolidated Declaration shall be construed to require the Declarant or any successor to annex or develop any of the Additional Property in any manner whatsoever.

7.2 Annexation by Membership. The Association may annex any real property to the provisions of this Consolidated Declaration with the consent of the owner of such property, the affirmative vote of Members holding a Majority of the Class "A" votes of the Association represented at a meeting duly called for such purpose, and, during the Development Period, with the written consent of the Declarant.

Such annexation shall be accomplished by filing an Amended and/or Supplemental Declaration describing the property being annexed in the Public Records. Any such Amended and/or Supplemental Declaration shall be signed by the president and the secretary of the Association, and by the owner of the property being annexed, and by the Declarant, if the Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.3 Withdrawal of Property. The Declarant reserves the right to amend this Consolidated Declaration during the Development Period for the purpose of removing any portion of the Properties from the coverage of this Consolidated Declaration provided such withdrawal is not contrary to the overall, uniform scheme of development for the Properties, as determined by the Declarant in its sole discretion. Such amendment shall not require the consent of any Person other than the owner of the property to be withdrawn, if not the Declarant. If the property is Common Area real property, the Association shall execute a written consent to such withdrawal.

7.4 Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including but not limited to covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association through Neighborhood Assessments. Such additional covenants and easements shall be set forth and filed in an Amended and/or Supplemental Declaration. Any such Amended and/or Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Consolidated Declaration as it applies to the subject property for such purposes as deemed appropriate in the Declarant's sole discretion, including but not limited to modifications to reflect the different character and intended use of such property.

7.5 Amendment. This Article shall not be amended during the Development Period without the prior written consent of Declarant.

ARTICLE 8: ASSESSMENTS

8.1 Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be four (4) types of assessments: (a) General Assessments to fund Common Expenses for the general benefit of all Lots; (b) Neighborhood Assessments for Neighborhood Expenses benefiting only Lots within a particular Neighborhood or Neighborhoods; (c) Special Assessments as described in Section 8.5; and (d) Specific Assessments as described in Section 8.6. Each Owner, by accepting a deed or entering into a recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments and other charges, together with interest, late charges, costs of collection, and reasonable attorney's fees, shall be a charge and continuing lien upon each Lot against which the assessment or charge is made until paid, as more particularly provided in Section 8.7. Each such assessment or charge, together with interest, late charges, costs, and reasonable attorney's fees, also shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment arose. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Lot by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a written statement signed by an Association officer or designee setting forth whether such assessment has been paid. Such statement shall be conclusive evidence of payment. The Association may require the

advance payment of a reasonable processing fee for the issuance of such statement.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two (2) or more installments. Unless the Board otherwise provides, the General Assessment and any Neighborhood Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his or her Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately. Any assessment or installment thereof shall be considered delinquent on the fifteenth (15th) day following the due date unless otherwise specified by Board resolution. The Board may charge interest on the full amount of unpaid assessments at the maximum rate allowed under South Carolina law.

No Owner may exempt himself or herself from liability for assessments by non-use of Common Area, including Exclusive Common Area reserved for such Owner's use, abandonment or leasing of such Owner's Lot, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action taken by the Association or Board.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for payment of Common Expenses.

8.2 Computation of General Assessments. At least thirty (30) Days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, which may include a contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 8.4.

The general assessment rate shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including any reserves; however, the general assessment rate shall in no case increase by more than ten percent (10%) from the preceding fiscal year.

In determining the level of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years, any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year, and any income expected to be generated from any Cost Sharing Agreement.

During the Development Period, the Declarant may, but shall not be obligated to, reduce the General Assessment for any fiscal year by payment of a subsidy and/or contributions of services and materials, which may be treated as either a contribution or an advance against future sums due from the Declarant, or a loan, in the Declarant's discretion. Any such anticipated payment or contribution by the Declarant shall be disclosed as a line item in the Common Expense budget. Payments by the Declarant in any year shall under no circumstances obligate the Declarant to continue such payments in future years unless otherwise provided in a written agreement between the Association and the Declarant.

The Board shall post on the Keowee Mountain website and send a copy of the budget and notice

of the amount of the General Assessment for the following year to each Owner at least thirty (30) Days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total Class "A" votes in the Association and, during the Development Period, by the written disapproval of the Declarant. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within twenty (20) Days after the date of the notice of assessments. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. In such event or if the budget proves inadequate for any reason, the Board may prepare a revised budget for the remainder of the fiscal year. The Board shall send a copy of the revised budget to each Owner at least thirty (30) Days prior to its becoming effective. The revised budget shall become effective unless disapproved in accordance with the above procedure.

The Board shall post the approved budget on the Keowee Mountain website within thirty (30) days of budget approval. In addition, within ninety (90) days of the end of each year the Board shall post on the Keowee Mountain website the Association's actual income and expenditures for preceding year.

8.3 Computation of Neighborhood Assessments. At least thirty (30) Days before the beginning of each fiscal year, the Board shall prepare a separate budget covering the estimated Neighborhood Expenses for each Neighborhood on whose behalf Neighborhood Expenses are expected to be incurred during the coming year. The Board shall be entitled to set such budget only to the extent that this Consolidated Declaration, any Supplemental Declaration, or the By-Laws specifically authorizes the Board to assess certain costs as a Neighborhood Assessment. Any Neighborhood may request that additional services or a higher level of services be provided by the Association and, upon approval of Owners in accordance with Section 3.3, any additional costs shall be added to such budget. Such budget may include a contribution establishing a reserve fund for repair and replacement of capital items maintained as a Neighborhood Expense, if any, within the Neighborhood. Neighborhood Expenses shall be allocated equally among all Lots within the Neighborhood(s) benefited thereby and levied as a Neighborhood Assessment; provided however, the so specified in the Supplemental Declaration applicable to such Neighborhood or so directed by petition signed by a Majority of the Owners within the Neighborhood, any portion of the Assessment intended for exterior maintenance of structures, insurance on structures, or replacement reserves which pertain to particular structures shall be levied on each of the benefited Lots in proportion to the benefit received.

The Board shall cause a copy of such budget and notice of the amount of the Neighborhood Assessment for the coming year to be posted on the Keowee Mountain website and delivered to each Owner of a Lot in the Neighborhood at least thirty (30) Days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved by Owners of a Majority of the Lots in the Neighborhood to which the Neighborhood Assessment applies and, during the Development Period, by the Declarant. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of Owners of at least ten percent (10%) of the Lots in such Neighborhood. This right to disapprove shall apply only to those line items in the Neighborhood budget which are attributable to services requested by the Neighborhood. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the Owners within any Neighborhood disapprove any line item of a Neighborhood budget, the Association shall not be obligated to provide the services anticipated to be funded by such line item of the budget. If the Board fails for any reason to determine a Neighborhood budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year.

All amounts which the Association collects as Neighborhood Assessments shall be expended solely for the benefit of the Neighborhood for which they were collected and shall be accounted for separately from the Association's general funds.

8.4 Reserve Budget. The Board may, in its sole discretion, annually prepare reserve budgets for both general and Neighborhood purposes which take into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected life of each asset, and the expected repair or replacement cost. The Board shall include in the general and Neighborhood budgets reserve amounts sufficient to meet the projected needs of the Association.

8.5 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against all Lots, if such Special Assessment is for Common Expenses, or against the Lots within any Neighborhood if such Special Assessment is for Neighborhood Expenses. Special Assessments shall be allocated equally among all Lots subject to such Special Assessment. Any Special Assessment shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total Class "A" votes allocated to Lots which will be subject to such Special Assessment and, during the Development Period, by the Declarant. There shall be no obligation to call a meeting for the purpose of considering any Special Assessment except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within twenty (20) Days after the date of the notice of such Special Assessment. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

8.6 Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Lot or Lots as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot(s) or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants which might include, without limitation those services described in Section 4.14 above, which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner;

(b) to cover the costs associated with maintenance, repair, replacement and insurance of any Exclusive Common Area assigned to one (1) or more Lots; and

(c) to cover all costs incurred in bringing the Lot(s) into compliance with the terms of the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their agents, contractors, employees, licensees, invitees, or guests.

Fines levied by the Association pursuant to Section 4.4 shall constitute Specific Assessments. The Association may also levy a Specific Assessment against the Lots within any Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into

compliance with the provisions of the Consolidated Declaration, any applicable Supplemental Declaration, the Articles, the By-Laws, and rules; provided however, the Board shall give prior written notice to the Owners of Lots in the Neighborhood and an opportunity for such Owners to be heard before levying any such assessment.

8.7 Lien for Assessments. The Association shall have a lien against each Lot to secure payment of assessments and other charges, as well as interest at a rate to be set by the Board (subject to the maximum interest rate limitations of South Carolina law), late charges in such amount as the Board may establish (subject to the limitations of South Carolina law), costs of collection and reasonable attorney's fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The Declarant or the Association may bid for the Lot at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot. While a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its pro rata share of the assessment allocated to the Lot owned by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. A Mortgagee or other purchaser of a Lot who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall remain the personal obligation of the owner of the Lot prior to the foreclosure, and, unless and until collected from such prior owner, shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 8.8, including such acquirer, its successors and assigns.

All other Persons acquiring liens or encumbrances on any Lot after this Consolidated Declaration has been recorded shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

8.8 Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Lot on the date the Lot is conveyed to an Owner and on January 1st of each year thereafter. The first annual General Assessment and Neighborhood Assessment, if any, levied on each Lot shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Lot and shall be due and payable at closing.

8.9 Failure to Assess. Failure of the Board to establish assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments and Neighborhood Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.10 Exempt Property. The following property shall be exempt from payment of General Assessments, Neighborhood Assessments, and Special Assessments:

(a) All Common Area and such portions of the property owned by the Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1;

(b) Any property dedicated or otherwise conveyed to and accepted by any governmental authority or public utility;

(c) Any property that is owned by a charitable nonprofit corporation or public agency whose primary purposes include the acquisition and preservation of open space for public benefit and held by such agency or organization for such recreational and open space purposes; and

(d) Property owned by any Neighborhood Association, or by the members of a Neighborhood Association as tenants-in-common, for the common use and enjoyment of all members within the Neighborhood.

(e) Property owned by the Declarant/Developer including Keowee Mountain, Inc. and KMMountain Top, LLC

8.11 Contributions by Declarant. In accordance with Section 8.2, the Declarant may support the Association by funding operating deficits during the Development Period. At the sole election of Declarant, Declarant may recoup from the Association all such payments, which amounts may be paid from the operating account of the Association, or from the working capital contributions collected at the sale of Lots, but not from capital reserves. Regardless of whether the Declarant recoups any other deficit amounts, it is not the intention of the Declarant to forfeit refundable reserves or deposits paid by Declarant, nor to pay for deficits created by the nonpayment of assessments by other Owners. It is also not the intention of Declarant to pay for expenses which are otherwise covered in the annual budget of the Association, but which, due to the requirement of an advance payment, create temporary or seasonal deficits. Accordingly, Declarant shall be reimbursed for all amounts paid by Declarant in the funding of deficits caused by the nonpayment of assessments by Owners which, if not sooner paid, shall be paid to Declarant at the time the unpaid assessment is collected. In addition, if not sooner paid, Declarant shall be reimbursed for any refundable deposit upon the Association's receipt of the same.

All deficits shall be collectible by Declarant at any time from the working capital contributions or from excess funds not designated for capital reserves. The Declarant shall have the right to pursue the collection of any unpaid assessments on behalf of the Association, as well as the right to act on behalf of the Association (if necessary) in obtaining refunds of all deposits paid for by Declarant. The Board of Directors, specifically including members of the Board appointed by the Declarant, shall be authorized to execute a promissory note or notes on behalf of the Association to evidence the repayment obligation of the Association; provided however, the failure to execute such a note shall in no way diminish such obligation.

ARTICLE 9: ARCHITECTURAL AND DESIGN STANDARDS

9.1 General. No exterior structure or improvement, as described in Section 9.4, shall be placed, erected, installed or made upon any Lot or any other portion of the Properties, except in compliance with this Article and with the prior written approval of the Declarant and after it is established, the Architectural Review Committee ("ARC") and the Declarant, unless exempted pursuant to Section 9.3(b). During the Development Period, the Declarant retains the right to approve or disapprove of any decision or action of the ARC.

All dwellings constructed on any portion of the Properties shall be designed by and built in accordance with the plans and specifications of a licensed architect or other qualified building designer,

unless otherwise approved by the ARC in its sole discretion.

This Article shall not apply to the activities of the Declarant nor to improvements to the Common Area by or on behalf of the Association. This Article may not be amended during the Development Period without the Declarant's written consent.

9.2 Architectural and Design Review. Each Owner, by accepting a deed or other instrument conveying any interest in any portion of the Properties acknowledges that, as the developer of the Properties, Declarant has a substantial interest in ensuring that all structures and improvements within the Properties enhance Declarant's reputation as a community developer and do not impair Declarant's ability to market, sell or lease any portion of the Properties. Therefore, the Declarant may, on its behalf, establish an ARC to be responsible for administration of the Architectural and Design Guidelines (the "Guidelines") and review of all applications for construction and modifications under this Article; until the establishment of the ARC, all of the rights, responsibilities and powers of the ARC shall be of the Declarant. The ARC shall consist of one (1) or more Persons who may, but are not required to, be Members of the Association or representatives of Members, and may, but need not, include architects, landscape architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the ARC. The ARC may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. In addition, the ARC may require deposits of up to one thousand dollars (\$1,000) while construction is pending on any Lot to ensure completion without damage to the Properties and/or compliance with the provisions of this Article. An Owner shall not seek issuance of a Certificate of Occupancy from Pickens County, until the ARC certifies, in writing, that the construction of the Improvement complies with this Article.

The ARC shall have exclusive jurisdiction over all construction on any portion of the Properties. Until one hundred percent (100%) of the Properties have been developed and conveyed to Owners other than Builders and/or the Declarant and until initial construction on each Lot has been completed in accordance with the Guidelines, the Declarant retains the right to appoint all members of the ARC who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration or surrender of such right, the Board shall appoint the members of the ARC, who shall thereafter serve and may be removed in the Board's discretion.

9.3 Guidelines and Procedures.

(a) Architectural and Design Guidelines. The Declarant shall prepare the initial Architectural and Design Guidelines for the Properties. The Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one (1) portion of the Properties to another depending upon the location, unique characteristics, and intended use. The Guidelines are intended to provide guidance to Owners and Builders regarding matters of particular concern to the ARC in considering applications hereunder. The Guidelines are not the exclusive basis for decisions of the ARC and compliance with the Guidelines does not guarantee approval of any application. The Declarant may, but is not required to, record the Guidelines.

The ARC shall adopt the Guidelines at its initial organizational meeting and thereafter shall have sole and full authority to amend them. Any amendments to the Guidelines shall be prospective only. There shall be no limitation on the scope of amendments to the Guidelines except that no amendment shall require the modification or removal of any structure previously approved once the approved construction or modification has commenced. The ARC is expressly authorized to amend the

Guidelines to remove requirements previously imposed or otherwise to make the Guidelines less restrictive.

The ARC shall make the Guidelines available to Owners and Builders who seek to engage in development or construction within the Properties.

(b) Procedures. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures, landscaping, and other Improvements shall be submitted to the ARC and Declarant for review and approval (or disapproval). In addition, information concerning septic tank drainage fields and placement, irrigation systems, drainage, lighting, grading, and other features of proposed construction shall be submitted as applicable and required by the Design Guidelines. In reviewing each submission, the ARC and Declarant may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other considerations.

Each application to the ARC and Declarant shall be deemed to contain a representation and warranty by the Owner that use of the plans submitted does not violate any copyright associated with the plans. Neither the submission of the plans to the ARC and Declarant, nor the distribution and review of the plans by the ARC shall be construed as publication in violation of the designer's copyright, if any. Each Owner submitting plans to the ARC and Declarant shall hold the members of the ARC, the Association and the Declarant harmless and shall indemnify said parties against any and all damages, liabilities, and expenses incurred in connection with the review process of this Consolidated Declaration.

In reviewing and acting upon any request for approval, the ARC shall be acting solely in Declarant's interest and shall owe no duty to any other Person. Decisions may be based solely on aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary over time. The Declarant and the ARC shall have the discretion to make final, conclusive, and binding determinations on matters of aesthetic judgment and whether proposed Improvements are consistent with Guidelines.

In the event that the Declarant and ARC fail to approve or to disapprove any application within thirty (30) Days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Guidelines unless a variance has been granted in writing by the ARC pursuant to Section 9.9. In the event that the Declarant and ARC do not approve an applicant's plan submitted pursuant to this Article, the ARC shall notify the applicant in writing and suggest how the applicant could improve the plan. Upon receipt of the notification of disapproval, the applicant may submit a revised plan and continue to seek the Declarant and ARC's approval of its plan.

Notwithstanding the above, the Declarant and ARC by resolution may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

Any Owner may remodel, paint or redecorate the interior of structures on his or her Lot without approval. However, modifications to the interior of screened porches, patios, windows, and similar portions of a Lot visible from outside the structures on the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

(c) Delinquent Assessments and Other Charges. Notwithstanding the provisions of subsection (b) above, any application for the approval of plans and specifications as set forth in this

Article shall be deemed to be disapproved unless and until any and all delinquent assessments and other charges permitted by this Consolidated Declaration have been paid current by the Owner submitting such plans and specifications for approval.

Subsequent to the approval of plans and specifications pursuant to this Article, if the Owner shall become delinquent in the payment of assessments or other charges permitted by this Consolidated Declaration at any time during the prosecution of the approved work, the Owner shall be deemed to be in violation of such approval and shall be subject to any means of enforcement set forth in Section 9.11 and Section 4.4.

9.4 Specific Standards and Restrictions.

(a) Exterior Structures and Improvements. Exterior structures and Improvements shall include, but shall not be limited to, staking, clearing, excavation, grading and other site work; initial construction of any Dwelling or accessory building; exterior alteration of existing Improvements; installation or replacement of hardscape, such as driveways, walkways, or parking areas; mailboxes; basketball hoops; swing sets and similar sports and play equipment; clotheslines; garbage cans; wood piles; swimming pools; gazebos or playhouses; window air-conditioning units or fans; hot tubs; wells; solar panels; hedges, walls, dog runs, animal pens, fences of any kind, including invisible fences; artificial vegetation or sculpture; and landscaping. No fence may be erected nearer the front Lot line than the face of the dwelling located on the Lot or within the building setback set forth in the Guidelines. In the case of a corner Lot, no side yard fence shall be located nearer than the side face of the dwelling located on the Lot. No fence on a Lot shall be less than three (3) feet nor greater than six (6) feet in height. Chain link or similar metal or plastic fencing on a Lot is prohibited.

(b) In addition to the foregoing activities requiring prior approval, the following items are strictly regulated, and the ARC, in its sole discretion, may prohibit or restrict these items within the Properties. Each Owner must strictly comply with the terms of this Section unless approval or waiver in writing is obtained from the ARC. The ARC may, but is not required to, adopt additional specific guidelines as part of the Guidelines.

(i) Signs. No sign of any kind shall be erected by an Owner or occupant without the prior written consent of the ARC.

The Declarant and the ARC reserve the right to prohibit signs and to restrict the size, content, color, lettering, design and placement of any approved signs. All permitted signs must be professionally prepared. This provision shall not apply to the Declarant.

(ii) Tree Removal. No trees that are more than six (6) inches in diameter at a point four and one-half (4 1/2) feet above the ground may be removed without the prior written consent of the ARC and the Declarant. However, the creation of view corridors for Lots is encouraged and ARC and the Declarant shall not unreasonably withhold their approval for the reasonable removal of trees for this purpose. Provided further, any trees, regardless of their diameter, that are located within ten (10) feet of a drainage area, a septic field, a sidewalk, a residence, or a driveway, or any diseased or dead trees needing to be removed to promote the growth of other trees or for safety reasons may be removed without the written consent of the ARC. In addition, the ARC may adopt or impose requirements for or condition approval of tree removal upon the replacement of any tree removed or other conditions.

(iii) Lighting. Except for as originally installed on a Lot by the Declarant, if any, exterior lighting on Lots shall be subject to the Guidelines. All lights shall be installed or aimed so that they do not present a disabling glare to drivers or pedestrians or create a nuisance by projecting or

reflecting objectionable light onto a neighboring property. The provisions of this subsection shall not apply to the Declarant.

(iv) Temporary Structures. No Improvements of a temporary nature shall be erected or allowed to remain on any Lot; provided, however, a construction office trailer may be located on that particular Lot until completion of the Dwelling or Improvement on that Lot. Nothing herein shall prohibit Declarant from erecting or moving temporary buildings onto Lots owned by Declarant to be used for storage or construction or sales offices.

(v) Accessory Structures. With the approval of the ARC, detached accessory structures may be placed on a Lot to be used for a playhouse, storage shed, dog house, garage or other approved use. A garage may also be an attached accessory structure. Such accessory structures shall conform in exterior design and quality to the dwelling on the Lot. With the exception of a garage that is attached to a dwelling and except as may be provided otherwise by the ARC, an accessory structure placed on a Lot shall be located only behind the dwelling. All accessory structures shall be located within side and rear setback lines as may be required by the ARC or by applicable zoning law.

(vi) Antennas and Satellite Dishes. No transmission antenna, except for customer-end antennas that receive and transmit fixed wireless signals, may be erected anywhere on the Properties without prior written approval of the ARC. No direct broadcast satellite ("DBS") antenna or multi-channel multi-point distribution service ("MMDS") larger than one meter (39.37") in diameter shall be placed, allowed, or maintained upon any portion of the Properties, including but limited to any Lot. DBS and MMDS antennas one meter or less in diameter and television broadcast service antennas may be installed only in accordance with Federal Communication Commission ("FCC") rules and with the approval of the ARC and the Association. Such items shall be installed in the least conspicuous and objectionable location and with landscape shielding on the Lot while permitting reception of an acceptable signal. Except as otherwise provided by this subsection, no antenna or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be erected, used or maintained outdoors on any portion of the Properties, whether attached to a structure or otherwise, unless approved by the ARC; provided, however, that the Association shall have the right to erect, construct and maintain such devices.

(vii) Utility Lines. Overhead utility lines, including lines for cable television, are not permitted except for temporary lines as required during construction and lines installed by or with the permission of Declarant or existing on the Properties at the time the Declarant acquired the Properties.

(viii) Standard Mailboxes. All dwellings within the Properties shall have standard mailboxes conforming to postal regulations and the guidelines for such mailboxes adopted by the ARC. The ARC may adopt different standard mailboxes for each Neighborhood. Application shall be made to the ARC prior to installation or replacement of a mailbox. By accepting a deed to a Lot, each Owner agrees that the ARC may remove any nonapproved mailbox in a reasonable manner; all costs for same shall be paid by Owner of such Lot, and all claims for damages caused by the ARC are waived.

(ix) Garage Doors. Garage doors shall be kept in the closed position except when in use for normal passage of vehicular or pedestrian access.

(x) Dwelling Design. Each Dwelling located on any Lot shall comply with the design criteria established by the ARC in its sole discretion and as set forth in the Guidelines, including but not limited to any restrictions on dwelling size and height. Notwithstanding the foregoing, each Dwelling located within Phase 1 of Keowee Mountain shall be a single-family detached residence and contain a minimum 1,900 square feet and shall not exceed two-and-one-half (2 1/2) stories in height, with

a 2-car garage. No tent, trailer, shack, garage or other outbuilding erected on a Lot shall be used as a residence, either temporarily or permanently.

(xi) Docks. No dock may be constructed as an appurtenance to any Lot unless approved in writing by the ARC and unless the following conditions are met: (1) any such dock shall be consistent with the South Carolina Office of Ocean and Coastal Resource Management, as the same may be amended from time to time; (2) the Owner of such Lot shall comply with all provisions of this Article with respect to such dock; (3) the Owner must obtain all necessary permits and approvals from Duke Energy Corporation, all local, state, or federal governmental departments or agencies which have jurisdiction over construction in or near marshlands and other critical areas; and (4) all docks shall conform with all other Governing Documents and any other declarations, covenants, restrictions or rules relating to the design, construction or location of docks and Duke Energy Corporation's lake management policies. Neither the Declarant, the ARC, nor the Association warrants or guarantees that Duke Energy Corporation or any governmental agencies or other approving authority will approve any dock permits required for the construction of docks aforesaid.

(xii) HVAC Equipment. No heating, ventilating or air conditioning equipment or apparatus shall be installed on the ground in front of or attached to any front wall of any Dwelling.

(xiii) Landscaping. No landscaping activities shall be conducted until the Declarant and ARC approve a landscaping plan in accordance with the Guidelines.

(xiv) Propane/Gas Tanks. No propane or gas tanks shall be permitted unless the same shall be buried.

9.5 Public Water System; No Wells. Declarant shall cause to be constructed a water system necessary to serve the subdivision (the "Water System"). All equipment necessary for the operation and maintenance of the Water System shall be located within the utility easements described in this Consolidated Declaration or the roadway rights-of-way. Upon completion of the Water System, Declarant and/or the Association shall use reasonable good faith efforts to dedicate the Water System to Six Mile Rural Community Water District or other governmental authority. All Owners are required to connect into the Water System for domestic water service and shall pay such fees as are charged by that entity. The Water System shall be the sole provider of water supply to the subdivision, and no well may be dug or constructed on any Lot for the purpose of providing domestic water supply.

9.6 Sewage Disposal. A private on-site septic system shall serve each Lot. All septic systems shall be constructed and maintained in accordance with all the regulations and requirements of the South Carolina Department of Health and Environmental Control and other governmental authorities and regulatory agencies having jurisdiction. Each Owner shall be responsible for obtaining all necessary permits for the construction, operation and use of the Septic System servicing his or her Lot. Prior to the installation of a septic system, the Lot Owner shall have the proposed location of the septic system staked and approved by the appropriate governmental authorities. The Lot Owner shall be responsible for operating and maintaining the septic system at such Owner's sole cost and expense. Declarant makes no representations regarding the future availability of municipal sewer service or that approval of and permits for a private on-site septic system will be issued.

9.7 Construction Period. After commencement of construction, each Owner shall diligently continue construction to complete such construction in a timely manner with no stoppage of work for more than forty-five (45) consecutive Days, acts of God excepted. The initial construction of all structures must be completed within one (1) year after commencement of construction, unless extended in

writing by the ARC in its sole discretion. All other construction shall be completed within the time limits established by the appropriate reviewing body at the time the project is approved by the reviewing body.

For the purposes of this Section, commencement of construction shall mean that (a) all plans for such construction have been approved by the ARC; (b) a building permit has been issued for the Lot by the appropriate jurisdiction; and (c) construction of a structure has physically commenced beyond site preparation. Completion of a structure shall mean that a certificate of occupancy has been issued for a dwelling on the Lot by the appropriate jurisdiction.

The responsible Owner must promptly repair any damage to the Private Streets, curbs, sidewalks, pathways or any part of any Common Area or any utility system. All construction areas shall be kept free of unsightly construction debris and all contiguous public and private areas shall be kept free from any dirt, mud, garbage, trash, or other debris caused by such construction. The Board may levy a Special Individual Assessment against an Owner to pay for the cost of repairing any damage to Private Streets, curbs, sidewalks, pathways or any part of the Common Area or any utility system, to pay for the cost of cleaning public and private areas, including the Private Streets, and to pay for the cost of removing garbage, trash or other debris caused by such construction. Each Owner shall be responsible for erosion control protection during any earth-disturbing operation as more particularly set forth in the Guidelines.

9.8 No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.9 Variance. The ARC may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with rules and regulations adopted by the ARC. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Consolidated Declaration; or (c) prevent the ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

9.10 Limitation of Liability. The standards and procedures established pursuant to this Article are intended to provide a mechanism for maintaining and enhancing the overall aesthetics of the Properties only, and shall not create any duty to any Person. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only, and neither the Declarant, the Association, the Board, nor the ARC shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, the adequacy of soils or drainage, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all dwellings are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring property owners. Neither the Declarant, the Association, the Board, nor the ARC or any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Lot. In all matters, the committees and their members shall be defended and indemnified by the Association as provided in Section 4.7.

9.11 Enforcement. The Declarant, any member of the ARC, or the Board, or the representatives of each shall have the right, during reasonable hours and after reasonable notice, to enter upon any Lot to inspect for the purpose of ascertaining whether any structure or improvement is in violation of this Article. Any structure, Improvement or landscaping placed or made in violation of this

Article shall be deemed to be nonconforming. Upon written notice from the ARC, Owners shall, at their own cost and expense, cure any violation or nonconformance or remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to cure or remove and restore the property as required, any authorized agent of Declarant, the ARC, or the Board shall have the right to enter the property, cure or remove the violation, and restore the property to substantially the same condition as previously existed. Entry for such purposes and in compliance with this Section shall not constitute a trespass. In addition, the Board may enforce the decisions of the Declarant and the ARC by any means of enforcement described in Section 4.4. All costs, together with the interest at the maximum rate then allowed by South Carolina law, may be assessed against the benefited Lot and collected as a Specific Assessment pursuant to Section 8.6.

Unless otherwise specified in writing by the ARC, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. If, after commencement, any Person fails to diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be heard in accordance with the By-Laws, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Specific Assessment pursuant to Section 8.6.

Neither the ARC, the Association, the Declarant, or their members, officers or directors shall be held liable to any Person for exercising the rights granted by this Article.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the ARC.

9.12 Governmental Requirements. Nothing herein shall waive any governmental requirements or restrictions relative to construction of Improvements and/or the use of any Lot. Each owner shall comply with all laws, regulations, ordinances (including, without limitation, applicable zoning ordinances) and other governmental or quasi-governmental rules and restrictions with regard to the Lot(s) owned by such Owner.

ARTICLE 10: USE RESTRICTIONS

10.1 General. This Article sets out certain use restrictions which must be complied with by all Owners and occupants of any Lot. The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, model homes, sales offices for Declarant and/or Builders, an information center and/or a sales office for any real estate broker retained by the Declarant to assist in the sale of property described on Exhibits "A" or "B," offices for any property manager retained by the Association, business offices for the Declarant or the Association and related parking facilities) consistent with this Consolidated Declaration and any Supplemental Declaration.

10.2 Rules and Regulations. In addition to the use restrictions set forth in this Article, the Board may, from time to time, without consent of the Members, promulgate, modify, or delete rules and regulations applicable to the Properties. Such rules shall be distributed to all Owners and occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and occupants until and unless overruled, canceled, or modified in a regular or special meeting by Members holding a Majority of the total Class "A" votes in the Association, and, during the Development Period, the written consent of the Declarant.

All provisions of the Consolidated Declaration, By-Laws, and of any rules and regulations, use restrictions or Design Guidelines governing the conduct of Owners and establishing sanctions against Owners shall also apply to all occupants even though occupants are not specifically mentioned.

The lease shall also obligate the tenant to comply with the foregoing. The Board may require notice of any lease together with such additional information deemed necessary by the Board.

10.5 Residential Use. Lots may be used only for residential purposes of a single-family and for ancillary business or home office uses. No other business, trade, or similar activity shall be conducted upon a Lot without the prior written consent of the Board. The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (a) such activity is engaged in full or part-time, (b) such activity is intended to or does generate a profit, or (c) a license is required.

The leasing of a Lot shall not be considered a business or trade within the meaning of this Section. This Section shall not apply to any activity conducted by the Declarant or a Builder approved by the Declarant with respect to its development and sale of the Properties or its use of any Lots which it owns within the Properties, including the operation of a timeshare or similar program.

No garage sale, moving sale, rummage sale, auction or similar activity shall be conducted upon a Lot without the prior written consent of the Board and compliance with any rules adopted by the Board.

(ii) A "disabled vehicle" shall mean any vehicle either not in current operating condition or without a current operating license.

(iii) A "stored vehicle" shall mean any vehicle other than an abandoned vehicle which remains parked for thirty (30) consecutive days or which is put on blocks or covered with a tarpaulin and remains on blocks or covered with a tarpaulin for more than forty-eight (48) hours without the prior written consent of the ARC.

Additionally, Owners of Lots and other permitted users of the Private Streets pursuant to Section 2.2 shall be obligated to refrain from any actions which would deter from or interfere with the use and enjoyment of the Private Streets by other authorized users of the Private Streets. Prohibited activities shall include without limitation obstruction of any of the Private Streets and parking on the Private Streets except as permitted under the Governing Documents.

10.9 Use of Common Area. There shall be no obstruction of the Common Area, nor shall anything be kept, parked or stored on any part of the Common Area without the prior written consent of the Association. With the prior written approval of the Board of Directors, and subject to any restrictions imposed by the Board, an Owner or Owners may reserve portions of the Common Area for use for a period of time as set by the Board. Any such Owner or Owners who reserve a portion of the Common Area as provided herein shall assume, on behalf of himself/herself/themselves and his/her/their guests, occupants and family, all risks associated with the use of the Common Area and all liability for any damage or injury to any person or thing as a result of such use. The Association shall not be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, its agents or employees.

No cutting of vegetation, dumping, digging, filling, destruction or other waste shall be committed on the Common Area. There shall be no obstruction or use of others of the Common Area, nor shall anything be kept or stored in the Common Area, nor shall anything be altered, constructed, planted in, or removed from the Common Area, without the prior written consent of the Declarant and/or the Association. All permitted pets shall be reasonably controlled by the owner whenever outside a dwelling, including but not limited to keeping all dogs on a leash when on the Common Area. All permitted pets shall be kept in such a manner as to not become a nuisance by barking or other acts. The owners of the pet shall be responsible for all of the pet's actions. If, in the sole opinion of the Declarant, any animal becomes dangerous or an annoyance or nuisance in the Properties or to nearby property or destructive of wildlife, the Declarant may require the owner to take appropriate action, which could include removing such animal from the Properties. By way of explanation and not limitation, this Section may be enforced by exercising self-help rights provided in Section 4.4. This provision shall not be construed to interfere with any provision under the Americans with Disabilities Act or any similar applicable federal, state or local law, ordinance or regulation. Service animals in active use shall be permitted on the Properties. All pets shall be registered, licensed and inoculated as required by law. No fenced dog enclosures or other structure for pets may be constructed or maintained on any Lot, unless approved in writing by the ARC.

The pursuit of hobbies or other activities, including, but not limited to, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause unsightly or unkempt conditions, shall not be pursued or undertaken on any Lot, other than in enclosed garages or other outbuildings.

10.12 Nuisance. It shall be the responsibility of each Owner and occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Properties shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might, in the sole discretion of the Board, disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property.

Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes or as approved by the ARC, shall be located, installed or maintained upon the exterior of any Lot unless required by law. Any siren or device for security purposes shall contain a device or system which causes it to shut off automatically.

The reasonable and normal development, construction and sales activities conducted or permitted by the Declarant shall not be considered a nuisance or a disturbance of the quiet enjoyment of any Owner or occupant.

10.13 Storage of Materials, Garbage and Dumping. All garbage cans, wood piles, and compost piles shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Storage of construction materials on the Lot shall be subject to such conditions, rules, and regulations as may be set forth in the Design Guidelines. Each Owner shall keep Private Streets, easements, swales, and other portions of the Properties clear of silt, construction materials and trash from its activities at all times. Trash and debris during initial construction of a residential dwelling shall be contained in standard size dumpsters or other appropriate receptacles and removed regularly from Lots and shall not be buried or covered on the Lot. Any Lot on which construction is in progress may be policed prior to each weekend, and during the weekend all materials shall be neatly stacked or placed and any trash or waste materials shall be removed. In addition, Owners shall remove trash and debris from the Lot upon reasonable notice by Declarant in preparation for special events.

In addition, no home shall be subdivided or partitioned to create housing for more than a single family. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots which it owns. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations, if any.

10.17 Sight Distance at Intersections. All property located at street intersections or driveways shall be landscaped, improved and maintained so as to permit safe sight across such areas. No fence, wall, hedge or shrub shall be placed or permitted to remain where it would cause a traffic or sight problem.

10.18 Drainage and Grading. Catch basins and drainage areas are for the purpose of natural flow of water only. No Improvements, obstructions or debris shall be placed in these areas. No Owner or occupant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains.

(a) Each Owner shall be responsible for maintaining all drainage areas located on its Lot. Required maintenance shall include, but not be limited to, maintaining ground cover in drainage areas and removing any accumulated debris from catch basins and drainage areas.

(b) Each Owner shall be responsible for controlling the natural and man-made water flow from its Lot. No Owner shall be entitled to overburden the drainage areas or drainage system within any portion of the Properties with excessive water flow from its Lot. Such maintenance activities may include disturbance of landscaping pursuant to the terms contained in any declaration of easements, notwithstanding approval of the landscaping as set forth in Article 9.

(d) No Person shall alter the grading of any Lot without prior approval pursuant to Article 9 of this Consolidated Declaration. The Declarant hereby reserves for itself and the Association a perpetual easement across the Properties for the purpose of altering drainage and water flow. The exercise of such an easement shall not materially diminish the value of or unreasonably interfere with the use of any Lot without the Owner's consent.

(e) All Persons shall comply with any and all applicable erosion control ordinances and regulations in construction of Improvements on any Lot and in conducting any activity within non-disturbance buffer zones.

Prior to any proposed alteration of a Lot, the Owner shall determine if any portion thereof lies within the COE approved wetlands boundary. All proposed fill and/or excavation within delineated wetlands on an Owner's Lot will require compensatory mitigation prior to gaining permit approval and will need to be coordinated with the approved wetland mitigation plan for the Properties and COE and DHEC.

(b) Any damage to a Lot resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of, the Person exercising the easement. Nothing contained herein shall obligate the Declarant, the Association or the Board to pursue legal recourse against any Person damaging a Lot or any portion thereof as a result of the exercise of this easement. The exercise of these easements shall not extend to permitting entry into the structures on any Lot, nor shall it unreasonably interfere with the use of any Lot, and except in an emergency, entry onto any Lot shall be made only after reasonable notice to the Owner or occupant.

security, and safety reasons. Each Owner, by accepting a deed or other instrument conveying any interest in a Lot, acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the occupants of its Lot to take no action, legal or otherwise, which would interfere with the exercise of such easement or to recover damages for or as the result of any such activities.

11.12 Easement for Greenbelt Maintenance.

(a) Declarant reserves for itself and its successors, assigns, and designees the nonexclusive right and easement, but not the obligation, to enter upon greenbelts, buffer zones and non-disturbance areas located within the Area of Common Responsibility to remove trash and other debris therefrom and fulfill maintenance responsibilities as provided in this Consolidated Declaration. The Declarant's rights and easements provided in this Section shall be automatically transferred to the Association at the expiration of the Development Period or such earlier time as Declarant may elect, in its sole discretion, to transfer such rights by a written instrument. 11.14 Wetlands and/or Conservation Easement. Declarant hereby reserves certain wetlands mitigation and/or conservation easements, as more particularly shown or described on the Map or Maps. Declarant hereby reserves the right to grant or assign such easements to the COE, the DHEC, any permitted conservation or environmental group, and/or the Association, as it deems necessary or appropriate, in its sole discretion.

- (b) Any delinquency in the payment of assessments or charges owed by a Lot subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) Days, or any other violation of the Consolidated Declaration or By-Laws relating to such Lot or the Owner or occupant which is not cured within sixty (60) Days;
- (c) To receive notice from the Association of any meeting of the Association's membership, and to designate a representative to attend such meetings;
- (d) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or
- (e) Any proposed action which would require the consent of a specified percentage of Eligible Holders pursuant to Federal Home Loan Mortgage Corporation requirements.

12.2 No Priority. No provision of this Consolidated Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

12.3 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

12.4 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) Days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

12.5 Books and Record. Any Mortgagee will have the right to examine the books and records of the Association during its reasonable business hours.

12.6 Payment of Taxes and Insurance Premiums. Mortgagee(s) may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge or lien against the Common Area or any Lot encumbered by a Mortgagee held by one or more Mortgagee(s) and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy for property owned by the Association and the Persons making such payments shall be owed immediate reimbursement for the Association.

12.7 Construction of Article 12. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Consolidated Declaration, By-Laws, or South Carolina law for any of the acts set out in this Article.

ARTICLE 13: DECLARANT'S RIGHTS

13.1 Transfer or Assignment. Any or all of the special rights and obligations of the Declarant set forth in the Governing Documents may be transferred or assigned in whole or in part to the Association or to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Consolidated Declaration or the By-Laws. Upon any such transfer, the Declarant shall be automatically released from any and all liability arising with respect to such transferred rights and obligations. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Public Records.

13.2 Development and Sales. The Declarant and Builders authorized by Declarant may maintain and carry on the Properties such activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Lots, such as sales activities, tournaments, charitable events, and promotional events, and restrict Members from using the Common Area during such activities. Such activities shall be conducted in a manner to minimize (to the extent reasonably possible) any substantial interference with the Members' use and enjoyment of the Common Area. In the event that any such activity necessitates exclusion of Owners from Common Areas, such activities shall not exceed seven (7) consecutive Days. The Declarant and authorized Builders shall have easements over the Properties for access, ingress and conducting such activities.

In addition, the Declarant and Builders authorized by Declarant may establish within the

Properties, including any clubhouse, such facilities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Lots, including, but not limited to, business offices, signs, model units, tents, sales offices, sales centers and related parking facilities. During the Development Period, Owners may be excluded from use of all or a portion of such facilities in the Declarant's sole discretion. The Declarant and authorized Builders shall have easements over the Properties for access, ingress, and egress and use of such facilities.

Declarant may permit the use of any facilities situated on the Common Area by Persons other than Owners without the payment of any use fees.

13.3 Improvements to Common Areas. The Developer, a/k/a the Declarant, as owner of the Common Area, and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such Improvements to the Common Area as it deems appropriate in its sole discretion.

13.4 Additional Covenants. Until two (2) years following the termination of the Class "B" membership, the Declarant shall have the unilateral right to create and record additional covenants. No person shall record any declaration of covenants, conditions and restrictions, declaration of condominium, easements, or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records. No such instrument recorded by any Person, other than the Declarant pursuant to Section 7.4, may conflict with the Consolidated Declaration, By-Laws or Articles.

13.5 Right of the Declarant to Disapprove Actions. Until two (2) years following the termination of the Class "B" membership, the Declarant shall have the right to disapprove any action, policy or program of the Association, the Board, ARC, and any committee which, in the sole judgment of the Declarant, would tend to impair rights of the Declarant or Builders under the Governing Documents, or interfere with development of, construction on, or marketing of any portion of the Properties, or diminish the level of services being provided by the Association. This right to disapprove is in addition to, and not in lieu of, any right to approve or disapprove specific actions of the Association, the Board or any committee as may be granted to the Declarant in the Governing Documents.

(a) The Declarant shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board or any committee. Such notice shall be posted on the Keowee Mountain website and be given by certified mail, return receipt requested, or by personal delivery at the address the Declarant has registered with the secretary of the Association, which notice complies with the By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at such meeting. The Declarant may waive its right to receive notice in the same manner as provided in the By-Laws.

(b) The Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein. The Declarant, its representatives or agents may make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee.

(c) No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b)

above have been met and the time period set forth in subsection (d) below has expired.

(d) The Declarant, acting through any authorized representative, may exercise its right to disapprove at any time within ten (10) days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) days following receipt of written notice of the proposed action. No action, policy or program shall be effective or implemented if the Declarant exercises its right to disapprove. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. The Declarant shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

13.6 Amendments. The Declarant shall have the unilateral right to amend this Consolidated Declaration and notwithstanding any contrary provision of this Consolidated Declaration, no amendment to or modification of any use restrictions and rules or Design Guidelines shall be effective without prior notice to and the written consent of the Declarant, during the Development Period. This Article may not be amended without the written consent of the Declarant. The rights contained in this Article shall terminate upon the earlier of (a) twenty-five (25) years from the date this Consolidated Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

ARTICLE 14: GENERAL PROVISIONS

14.1 Duration.

(a) Unless terminated as provided in Section 14.1(b), this Consolidated Declaration shall have perpetual duration. If South Carolina law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Consolidated Declaration shall automatically be extended at the expiration of such period for successive periods of ten (10) years each, unless terminated as provided herein. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Consolidated Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of all of the current residents and/or holders of interest in and/or to real property located within the Keowee Mountain subdivision, and any neighborhood pertaining thereto.

(b) Unless otherwise provided by South Carolina law, in which case such law shall control, this Consolidated Declaration may not be terminated within thirty (30) years of the date of recording without the consent of all Owners. Thereafter, it may be terminated only by an instrument signed by Owners of at least seventy-five (75%) of the total Lots within the Properties and by the Declarant, if the Declarant owns any portion of the Properties, which instrument is recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Consolidated Declaration without the consent of the holder of such easement.

14.2 Amendment.

(a) By Declarant. Until termination of the Class "B" membership, Declarant may unilaterally amend this Consolidated Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Consolidated Declaration at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) to enable any institutional or governmental lender, purchaser, insurer

or guarantor of Mortgage loans, including, for example, the U.S. Department of Veterans Affairs, the U.S. Department of Housing and Urban Development, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee Mortgage loans on the Lots; (iv) to satisfy the requirements of any local, state or federal governmental agency; or (v) for the purpose of subjecting Additional Property to the terms of the Consolidated Declaration. However, any such amendment shall not adversely affect the title to any Lot unless the Owner shall consent in writing. In addition, during the Development Period or so long as Declarant still owns any portion of the Additional Property in the regular course of business, Declarant may unilaterally amend this Consolidated Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner. The failure of an amendment to apply uniformly to all Lots shall not constitute a material adverse effect upon the rights of any Owner.

(b) By Board. The Board shall be authorized to amend this Consolidated Declaration without the consent of the Members for the purpose of correcting Scribner's errors and other mistakes of fact, provided that amendments under this provision have no material adverse effect on the rights of the Owners.

(c) By Members. Except as otherwise specifically provided above and elsewhere in this Consolidated Declaration, this Consolidated Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members holding sixty-seven percent (67%) of the total Class "A" votes in the Association, and, during the Development Period, the written consent of the Declarant.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(d) Validity and Effective Date. Any amendment to the Consolidated Declaration shall become effective upon recordation in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Consolidated Declaration. No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant, the Class "B" Member, or the assignee of such right or privilege.

If an Owner consents to any amendment to this Consolidated Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

14.3 Severability. Invalidation of any provision of this Consolidated Declaration, in whole or in part, or any application of a provision of this Consolidated Declaration by judgment or court order shall in no way affect other provisions or applications.

14.4 Fair Housing Amendments Act. The provisions of the Governing Documents shall be subordinate to the Fair Housing Amendments Act of 1988, 42 U.S.C. § 3601, et seq.. (hereinafter referred to as "FHAA"), and shall be applied so as to comply with the FHAA. In the event that there is a conflict between or among the Governing Documents and the FHAA, the FHAA shall prevail. Notwithstanding anything to the contrary contained herein, in the event that any provision of this Consolidated Declaration conflicts with the FHAA, the Board of Directors, without the consent of the Members or of the Declarant, shall have the unilateral right to amend this Consolidated Declaration for the purpose of bringing this

Consolidated Declaration into compliance with the FHAA. Furthermore, notwithstanding Section 2.3 hereof, the Board shall have the unilateral right to assign portions of the Common Area as Exclusive Common Area or to reassign Common Area previously assigned as Exclusive Common Area to one (1) or more Lots to one (1) or more Owner(s) or occupant(s) should such action be required in order to make a reasonable accommodation under the FHAA.

14.5 Dispute Resolution. It is the intent of the Association and the Declarant to encourage the amicable resolution of disputes involving the Properties and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, the Association, the Declarant and each Owner covenants and agrees that it shall attempt to resolve all claims, grievances or disputes involving the Properties, including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of the Governing Documents through alternative dispute resolution methods, such as mediation and arbitration. To foster the amicable resolution of disputes, the Board may adopt alternative dispute resolution procedures.

Participation in alternative dispute resolution procedures shall be voluntary and confidential. Should either party conclude that such discussions have become unproductive or unwarranted, then the parties may proceed with litigation.

14.6 Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by Members holding eighty percent (80%) of the total Class "A" votes in the Association. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of the Governing Documents (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article 8; (c) proceedings involving challenges to ad valorem taxation; (d) counter-claims brought by the Association in proceedings instituted against it or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

14.7 Non-Merger. Notwithstanding the fact that Declarant is the current owner of the Properties, it is the express intention of Declarant that the easements established in the Consolidated Declaration for the benefit of the Properties and Owners shall not merge into the fee simple estate of individual lots conveyed by Declarant or its successor, but that the estates of the Declarant and individual lot owners shall remain as separate and distinct estates. Any conveyance of all or a portion of the Properties shall be subject to the terms and provisions of this Consolidated Declaration, regardless of whether the instrument of conveyance refers to this Consolidated Declaration.

14.8 Grants. The parties hereby declare that this Consolidated Declaration, and the easements created herein shall be and constitute covenants running with the fee simple estate of the Properties. The grants and reservations of easements in this Consolidated Declaration are independent of any covenants and contractual agreements undertaken by the parties in this Consolidated Declaration and a breach by either party of any such covenants or contractual agreements shall not cause or result in a forfeiture or reversion of the easements granted or reserved in this Consolidated Declaration.

14.9 Cumulative Effect; Conflict. The provisions of this Consolidated Declaration shall be cumulative with any additional recorded covenants, restrictions, and declarations applicable to any Neighborhood, and the Association may, but shall not be required to, enforce the covenants, restrictions and declarations applicable to any Neighborhood; provided however, in the event of a conflict between or among this Declaration and such covenants, restrictions or declarations, and/or the provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out

pursuant thereto, this Consolidated Declaration, the By-Laws, Articles, and use restrictions and rules of the Association shall prevail over those of any Neighborhood. The foregoing priorities shall apply, but not be limited to, the lien for assessments created in favor of the Association. Nothing in this Section shall preclude any Supplemental Declaration or other recorded covenants, restrictions and declarations applicable to any portion of the Properties from containing additional covenants, restrictions or provisions which are more restrictive than the provisions of this Consolidated Declaration, and the Association and/or the Declarant shall have the standing and authority to enforce the same.

14.10 Use of the "Keowee Mountain" Name and Logo. No Person shall use the words "Keowee Mountain" or the logo for "Keowee Mountain" or any derivative in any printed or promotional material without the Declarant's prior written consent. However, Owners may use the words "Keowee Mountain" in printed or promotional matter where such terms are used solely to specify that particular property is located within Keowee Mountain, and the Association and any other community association located in Keowee Mountain, and the Declarant shall each be entitled to use the words "Keowee Mountain" in their names.

14.11 Compliance. Every Owner and occupant of any Lot shall comply with the Governing Documents. Failure to comply shall be grounds for an action by the Association, the Declarant, or by any aggrieved Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.4.

14.12 Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to a Lot shall give the Board at least seven (7) Days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. After the transfer of title, the transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

14.13 Exhibits. Exhibits "A" and "B" attached to this Consolidated Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Section 14.2.

ARTICLE 15: PROVISIONS APPLICABLE TO THE COTTAGES AT KEOWEE MOUNTAIN TOP

15.1 Consolidated Declaration. The provisions of the Consolidated Declaration shall apply to the Cottages at Keowee Mountain Top. Any conflict between this Article and the Consolidated Declaration, if ambiguity exists, shall be resolved in favor of the Consolidated Declaration.

15.2 Definitions. The definitions set forth in Article 1 of the Consolidated Declaration are incorporated herein by reference. In addition, the following terms shall be defined as:

"Limited Common Area" shall mean a portion reserved for the nonexclusive use of Cottages.

15.3 Keowee Mountain Lakes Estates Home Owner's Association, Inc. This Article is intended to supplement the Consolidated Declaration as it applies to the Cottages at Keowee Mountain Top. In addition to all of the rights and obligations which are conferred or imposed upon the Association, pursuant to this Article, the Association and/or the Declarant shall be entitled to exercise any of the rights conferred upon it by the Consolidated Declaration and shall be subject to the obligations imposed by the Consolidated Declaration. The Owners within the Cottages at Keowee Mountain Top shall take no action in derogation of the rights of or contrary to the interest of the Association conferred by the Consolidated Declaration, except as specifically set forth herein.

15.4 Neighborhood. The Additional Property shall constitute a "Neighborhood" under the Consolidated Declaration and shall be known as the "Cottages at Keowee Mountain Top."

15.5 Maintenance Responsibilities.

(a) Limited Common Area. The Limited Common Area shall be those portions of the Cottage Lots outside of the dwelling constructed thereon which are reserved for the exclusive use of the Owner of the Cottage Lot, but which shall be maintained by the Association.

(b) By the Cottage Owner. Except to the extent otherwise provided in Section 15.5(c), each Owner shall have the obligation to maintain and keep in good repair all portions of his or her Cottage Lot, including, but not limited to: the interior and exterior walls and all glass surfaces, windows, window frames and casing, and all doors, doorways, door frames, and hardware that are part of the entry system of the dwelling constructed on the Cottage Lot; decks, porches, patios or balconies, railings; the air conditioning compressor serving the dwelling constructed on the Cottage Lot; attic hot water heaters; the septic system serving the dwelling constructed on the Cottage Lot; all pipes, lines, ducts, conduits, or any other mechanical, electrical, heating or air conditioning components or apparatus which serve only the dwelling constructed on the Cottage Lot, whether located within or without the boundaries of a Cottage Lot (including all gas, electricity, water or air conditional pipes, lines, ducts, conduits, metals or other apparatus serving only the Cottage Lot); and all attic space above a dwelling constructed on the Cottage Lot and storage space or spaces assigned for the exclusive use of a Cottage Lot, roofs and roof supports (including, but not limited to, roof joists and trusses, crossbeams, roof decking and underlaying, and shingles or other covering and surface materials); gutters; exterior walls, paving; brick; exterior painting of doors which comprise a boundary to a dwelling constructed on the Cottage Lot, exterior trim, the decks, patios, porches, and balconies, deck and balcony supports and support beams, maintenance and repair of all paved parking areas located inside and outside a dwelling and all other attachments to the exterior of the dwelling constructed on the Cottage Lots. In addition, each Owner shall:

(ii) Promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible.

(iii) Not make any alterations, changes in the exterior appearance of any type, to remove any portion thereof or to make any additions thereto or do anything with respect to the exterior of the dwelling constructed on the Cottage Lot which would or might jeopardize or impair the safety or soundness of any dwelling constructed on the Cottage Lot without first obtaining the written consent of the Architectural Review Committee affected, nor shall any Owner impair any easement without first obtaining written consent of the Association, and the Declarant.

(iv) Pay the cost of the repair, replacement or cleaning by the Association of any item, the repair, replacement or cleaning of which is necessitated by the failure or refusal of the Owner to discharge his or her maintenance responsibility, or the cost of repairing, replacing, or cleaning any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his or her family, tenants or invitees. Under either circumstance, the Association may perform such work and charge the cost thereof in addition to and as a part of the Owner's next chargeable assessment.

In the event an Owner fails or refuses to discharge his or her duties hereunder, the Association shall have the right, but not the obligation, to perform such maintenance responsibilities.

The foregoing maintenance shall be performed in a manner consistent with the Community-Wide Standard.

(c) By the Association. The Association shall maintain and keep in good repair as a Common Expense the Lodge, Common Area and any Limited Common Area located within the Additional Property except those listed in 15.5(b) above whether or not located within the boundaries of a Cottage Lot. This Area of Common Responsibility shall include, but not be limited to, the mowing and maintenance of the grassed and landscaped areas of each Lot; maintenance and repair of all areas which are not for the exclusive use of a Cottage Owner. Further, no Owner may obstruct or hinder the Association from performing its maintenance responsibilities hereunder.

The Association shall not be liable for injury or damage to person or property caused by the elements or by the Owner of any Cottage Lot, or any other person, or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Lodge, the Common Area or the Limited Common Area or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder. The Association shall not be liable to the Owner of any Cottage Lot or such Owner's occupant, invitee, or family, for loss or damage, by theft or otherwise, of any property which may be stored in or upon the Lodge or any of the Common Area.

The Association shall not be liable to any Owner, or any Owner's Occupant, guest, or family, for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities hereunder where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform

some function required to be taken or performed by the Association under this Consolidated Declaration, or for inconvenience of discomfort arising from the making of repairs or improvements which are the responsibility of the Association or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

The Association shall repair incidental damage to any dwelling constructed on the Cottage Lot resulting from performance of work which is the responsibility of the Association.

In performing its responsibilities hereunder, the Association shall have the authority to delegate to such persons, firms or corporations of its choice, such duties are as approved by the Board of Directors.

The cost of all maintenance performed by the Association pursuant to this Article shall be allocated among the Cottage Lots in the Additional Property as a Neighborhood Assessment pursuant to Section 5.3 and Section 8.6 of the Consolidated Declaration. The Board shall have the power to specifically assess expenses of the Association against Cottage Lots receiving benefits, items, or services not provided to all Cottage Lots within The Cottages at Keowee Mountain that are incurred either (a) upon request of the Owner of a Cottage Lot for specific items or services relating to the dwelling constructed on the Cottage Lot, or (b) as a consequence of the conduct of less than all Owners, their tenants, invitees, or guests.

The foregoing maintenance shall be performed in a manner consistent with the Community-Wide Standard.

(d) If the Board determines that any Owner has filed or refused to discharge property his or her obligation with regard to the maintenance, repair, or replacement of items of which he or she is responsible hereunder, then the Association shall have the right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense pursuant to the Consolidated Declaration.

15.6 Assessments. The Association shall have such assessment rights as conferred pursuant to Article 8 of the Consolidated Declaration. Base Assessments and Neighborhood Assessments shall be levied on all Cottage Lots. The Association, through the Board, may levy assessments against any Owner individually and against such Owner's Cottage Lot to reimburse the Association for costs incurred in bringing an Owner and his or her Cottage Lot into compliance with the terms of the Consolidated Declaration, any amendments thereto, this Article, the Articles, By-Laws or rules and regulations.

15.7 Easements.

(a) The Association shall have a perpetual, non-exclusive easement over every portion of the Additional Property, the Lodge, the Common Area and the Limited Common Area, including those portions of the Cottage Lots on which no dwelling exists, for the purpose of performing its maintenance responsibilities hereunder and under the Consolidated Declaration, which easement may be used by the Association, its officer, directors, employees, agents and contractors, and entry upon any Cottage Lot for such purpose shall not be deemed a trespass.

(b) There shall be reciprocal appurtenance easements of encroachment, and for maintenance and use of such encroachment, between each Cottage Lots, and between the Cottages and the Common Area, due to the unintentional placement, settling, or shifting of the improvements constructed thereon to a distance of not more than five (5) feet from the common boundary; provided, no such easement shall exist if such improvements were not constructed in accordance with the provisions of the Consolidated Declaration, or if such encroachment occurred due to the willful and knowing conduct on the part of, or with the knowledge and consent of, the Owner, occupant, or the Association claiming the

easement.

15.8 Enforcement. The Declarant, the Association, the ARC and each Owner shall have such enforcement rights under this Article as conferred upon each of them under the Consolidated Declaration, including the right to recover interest and reasonable attorney's fees and costs, which rights are incorporated herein by reference as if set forth verbatim herein.

15.9 Use Restrictions. No signs of any kind shall be erected or placed on any Cottage Lot or dwelling constructed on the Cottage Lot or on the Additional Property by an Owner or occupant of a dwelling constructed on the Cottage Lot without the prior written consent of the Declarant and/or the ARC, to be granted or withheld in the sole and absolute discretion of the Declarant and/or ARC, except such signs as may be required by legal proceedings and, subject to the remaining provisions of this Section, "For Lease" and "For Sale" signs. Individual "For Lease" or "For Sale" signs are prohibited and no such signs shall be individually posted on a Cottage Lot or within the Additional Property without the express written approval of the Declarant and/or the ARC. All "For Lease" or "For Sale" signs permitted hereunder shall be uniform in size, content, color, lettering and design, and shall only be posted in an area or in areas within the Additional Property designated by the Declarant and/or the ARC for the placement of such signage. Notwithstanding the foregoing provisions, the Declarant and/or the ARC reserve the right, in their sole and absolute discretion, to restrict the location, size, content, color, lettering, design and placement of any and all signs on any Cottage Lot or within the Additional Property, including those signs permitted hereunder.

15.10 Amendments. Until termination of the Class "B" membership, Declarant may unilaterally amend this Article. After such termination, the Declarant may unilaterally amend this Article at any time and from time to time if such amendment is: a) necessary to bring any provision hereof into compliance with any applicable governmental statute, ordinance, rule or regulation or judicial determination; b) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots which are the subject of this Article; c) required by any institutional or governmental lender or purchaser of mortgage loans to enable such lender to make mortgage loans on the Lots subject to this Article; or d) for the purpose of subjecting Additional Property to the term of this Article. So long as it still owns any portion of the Additional Property in the regular course of business, Declarant may amend this Article for any other purpose, provided the amendment has no material adverse effect upon any right of an Owner. Thereafter and otherwise, this Consolidated Declaration can only be amended using the same procedures for amendment set forth and found in Section 14.2 of the Consolidated Declaration.
